CarShare members are responsible for roadside assistance and towing.

B. Reporting and Responsibility for Damage

Before you begin and end each trip, please be sure to check the vehicle inside and out for dents,

scrapes, and other damages. If you notice any damage, please refer to the Damage Sheet stored in the vehicle - all previously reported damage should be marked on the Damage Sheet, indicating that the CarShare is already aware of it. Prior to leaving the vehicle, please record any new or unreported damage (i.e. damage not already marked on the Damage Sheet). If you fail to report damage to a vehicle, you may be held responsible and/or fined. For non-urgent vehicle issues, such as cleanliness, odors, low charge levels, and missing items, please contact our office as soon as possible during or after your reservation. You may leave a voicemail at our office or send an email to report non-emergency problems with the car. Please always remember to provide your full name, which car you are calling about and a detailed description of the problem you are reporting. Contact information will be in the car's glove compartment.

3. Treatment & Operation of Vehicles

A. Vehicle Care

We take the above violations extremely seriously. If you use a CarShare vehicle in any of the above unauthorized manners:

- You will be subjected to fines and other applicable fees.
