IGR Report

Patty reported update on OIAA International Convention

Reported the site and information needed for access

Old Business:

Conversation about Andrea with Mindy assisting. They will work out the particulars if needed as Andrea has more time now.

New Business

Mindy (seconded by LE) set a motion to have the directions for attendees to raise their hand if you would like to share at our meeting (to be recognized), to be corrected in our Secretary's Report. Abiel will have to make these corrections (hit the reaction button) as our Website Director. Thanks Abiel. MOTON passed unanimously.

Suzanne brought up importance of greeting those coming in for our meeting each day, to be our priority, one alcoholic helping another alcoholic. Thus, a conversation ensued with the group, and the following was decided:

- a. that the trusted servants be on the meeting ten minutes before the hour, and that once our room is open we treat it like the meeting has begun. We are but trusted servants and our responsibility is to those entering the room for the first time.
- b. Conversations during this time be committed to greeting those who are entering our meeting space and setting up for the safety of the meeting.
- c. A conversation about having a Greeter (w/90 days sobriety) an opportunity to serve.

From this conversation, LE put forth a motion to have a greeter at our meetings (Julie seconded);

- Conversation about requirements: 90 days of sobriety
- Conversation about a script: Patty and Suzanne will frame
- If no greeter available/Chair will greet.

MOTION to have a greeter passed unanimously

- d. The ten minutes before the meetings is to be focused on those joining us, especially the newcomers (young or old, coming for the first time) and to prepare for the upcoming meeting.
- e. This information gathering, script and conversation will continue at next month's business meeting.
- f. Until we get greeters in place, Chairpersons will act as greeters for the coming meetings.
- g. Please greet people by the names they have identified on their square.

Business Meeting ended by Julie at 8:50am.
