New Business:

Andrea is stepping down from her position as Secretary.

Deborah stated her interest in this position and then the group discussed it and

It was suggested that we get a list of our trusted servants positions, with an overview of the role, so that everyone understands their role when volunteering for different positions within our meeting.

In addition to that, it was suggested to announce the vacant position at meetings, and let others who may be interested in this position, to attend the next business meeting on 8/15.

Suzanne reminded members, that our Group Conscience determines the format of our meeting; if an attendee needs documentation for attendance, a desire to have a chip, medallion or literature mailed to them, that the directions to obtain the requests is on our website. Complete the form, and the Secretary will get in touch with them as they are able.

These directions are read every day in our Secretary's Report. There are a lot of moving parts to the Secretary's position and it would be beneficial to follow group conscience and direct those attending with these requests to our website.

8:56am Business Meeting Closed, led by Julie, with the Serenity Prayer.
