Dear Richard Hoffmann:

I have received your complaint (Complaint No. 1496942) of alleged hazards at CALFIRE 210 W. SAN JACINTO RD in Perris.

After careful review, I have decided not to conduct an investigation because:

- 1. The hazard(s) you brought to my attention do/does not fall within the jurisdiction of the Division of Occupational Safety and Health- No Title 8 standard

If you are able to provide additional information about your complaint which you think I should consider, or disagree with my decision and would like to review the reasons for the decision, please contact me at the address on the letterhead.

If you are still unsatisfied with the action taken by me on your complaint after reviewing the reasons with me, you have the right to review my decision with my Regional Manager.

California law protects any person who makes a complaint about a workplace safety or health hazard from being treated differently, discharged or discrimination against in any manner by their employer. If you believe that you have been discriminated against because you made a complaint to the Division of Occupational Safety and Health, you may file a discrimination complaint with the nearest office of the Division of Labor Standards Enforcement (Labor Commissioner). However, you must file your complaint within six (6) months of the discriminatory action.

Thank you for your concern about workplace safety and health.

Sincerely,

Ayman Shibliak
District Manager
