Winchester, NH 03470
2022 Winchester Pickle Festival Vendor Application

The 2022 Festival will be held on **Saturday, September 24th from 10:00 AM – 4:00 PM**. Vendors may begin to set up at 7:00 AM. A volunteer will be available to show you your assigned booth space. In previous years we had approx. 3-5K people in attendance, so please bring enough product to last through the afternoon. Vendors that leave early, without vendor committee approval, will not be invited back. We are environmentally conscious and ask that you recycle when possible and remove any trash you create. We also ask that your booth sell a pickle-related item; the winning vendor will be chosen by the Pickle Festival judges and will have their vendor booth fee waived for the 2023 Winchester Pickle Festival.

Congratulations to the 2021 winner- Topsy Pickle!

All food vendors must meet the health requirements for the State of New Hampshire.

<https://www.dhhs.nh.gov/dphs/fp/homestead.htm>

Upon arrival you may park your vehicle along Main Street (RTE 10) for unloading purposes only. Prior to the Festival you will receive detailed parking instructions and one parking pass to a special lot for vendors. We will need the Main Street area to be cleared and roped off by 10AM.

Booth space is limited. **Your application may be put on a waiting list if we reach vendor capacity. You will be notified if this happens and your payment will be held and checks will not be cashed.** Otherwise, application fees are non-refundable. We cannot guarantee specific booth locations but are willing to work with returning vendors. Event will be held rain or shine. Easy-up canopies are recommended.

Individual / Business Name _____
Contact Name _____
Street Address _____
Town _____ State _____ Zip _____
Phone _____ e-mail _____
