

MD PROTECT SHEER DAILY FACIAL MINERAL SUNSCREEN

Everyone should use a daily sunscreen, but not all sunscreens are created equal. That's why you need this hydrating sunscreen with an ultra smooth finish.

Our formula combines the power of mineral sunscreen actives for broad-spectrum protection, bioflavonoids, and glycoproteins to soothe and revitalize, humectants and shea butter for intense hydration, and dimethicone for a silky, smooth finish.

INGREDIENT HIGHLIGHTS

Lecithin, Glycoproteins, Bioflavonoids, Shea Butter

RECOMMENDED FOR

o all skin types
