

# MD PROTECT SHEER DAILY FACIAL MINERAL SUNSCREEN

- Silky, smooth finish in a water-resistant, broad-spectrum sunscreen
- Packed with ingredients that leave the skin feeling soft and moisturized
- Features mineral sunscreen actives to provide physical sun protection
- Suitable for all skin types to use daily

Our formula combines the power of mineral sunscreen actives for broad-spectrum protection, bioflavonoids, and glycoproteins to soothe and revitalize, humectants and shea butter for intense hydration, and dimethicone for a silky, smooth finish.

**RECOMMENDED FOR**  
• ALL SKIN TYPES

**INGREDIENT HIGHLIGHTS**  
Lecithin, Glycoproteins, Bioflavonoids, Shea Butter
