

WSFRA Water Rescue Team

Training Safety Plan

Drill Dates: July 18th and 25th 2025

Time: 0900-1200

Drill Location: 550 Meacham Rd. Schaumburg IL 60139 (See Picture below for Drill Location).

Type of Training: (check all that apply)

X	Dive
	Swift Water
	Boat Operations
	Other

Drill Objectives:

- Dress and deploy divers into the body of water.
- Attempt to locate submerged vehicles.
- Execute search patterns.
- Deploy second diver to first divers location with body bag.
- Safely bring body bag and simulated victim to the shore.

Description of Training:

Divers will be deployed into the body of water with the information that there are 2 submerged vehicles in the water and reports of one victim missing. The primary diver will utilize search patterns to attempt to locate the vehicles. Once the diver locates the

submerged vehicle, a second diver will deploy and meet up with the primary diver with a body bag. Both divers will work together to open the body bag and place the simulated victim into it. Both divers will safely bring the victim to the shore.

PPE/Equipment Required for Participants:

X	SCUBA Setup		Swift Water Dry Suit
X	Full Face Mask		Helmet
X	Dry Suit		Gloves
X	Dry Gloves		PFD
			Throw Bag

Department Related SOG's or Technical References:

	Battalion Chief:
	Rehab
	Rescue
	Safety Officer TBD
	Specialty Unit(s)
	Suppression
	Other Resources/Equipment

Job Safety Analysis:

Safety Planning Notes: (site plan, drawings, etc.)

- The drill site is a small driveway off of Martingale Rd, south of the body of water.
- If you go to the address above you will end up at a closed gate and security will have to let you through.
- If you must use GPS, enter 540 Martingale Rd. This is the address of the mosque that is just south of the drill site. Proceed north to the drill site. The drill site will be marked with cones.
- The west shoulder of Martingale will be sectioned off with cones for parking of our vehicles.
- You can proceed past the drill site and turn around at the driveway just north of the body of water.
