

# Division 12

## March 2021 - TRT Drill

---

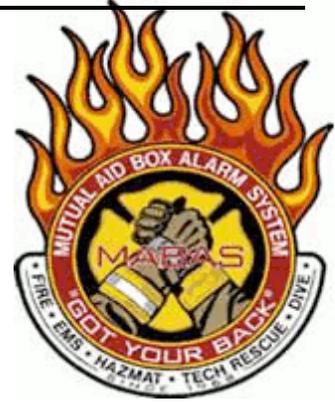

Host: Villa Park Fire Department

Date(S): April 12<sup>th</sup>(Red) , 13<sup>th</sup> (Gold)

Time: 0900-1200

Topic: Trench Rescue

---

### ***Description:***

The Villa Park Fire Department will be hosting a trench rescue drill. Drill will focus on “L” shoring placement. The team will be utilizing the engineered “L” system as well as placing a wood system differentiating between the two methods. Please refer to your trench FOG manual for proper placement of shoring systems prior to training. All Division trench equipment is requested for application in this training session.

### Contact:

Matt Sauter/ Jake Furtak  
*Villa Park Fire Department*  
Work - (630) 833-5350

### Location:

*Remote Site*  
E. Shiller and S. Hill Street (Village Salt Dome)  
Villa Park, IL 60181  
Park along West side of Hill

Note: Please come to training prepared for physical activity. Stretch and be physically ready for the activities required to function as a member of the Technical Rescue Team.

### Scheduling Notes:

- 1) TRT training is typically the second Monday, Tuesday, and Wednesday of each month or as modified to address potential or known conflicts in advanced.
- 2) The location for the training when indicated as TBD/ Regional permits multiple training sessions to occur on the same date and the same topic, however, at a location which better accommodates TRT team members. Locations to be finalized one month prior to the training date.
