

September 2024 WRT Drill Plan-

Dates: 9-20-24 & 9-27-24.

Location: Geneva Dam (Parking Lot off of... North Water Street).

Time: 0900hrs.

Activities:

Safety Briefing & assignment of Teams.

Enter South of Dam with tethered Swift Water Techs & Safety Back-up Techs.

Additional Techs will be on shore with inflated RDCs.

Deploy the Long Reach Pole W/ Hook Attachment into the Boil.

Deploy Inflated 2.5" Hose into the Boil.

Notes:

This Drill is heavily dependent on Weather, Manpower, & Safe Conditions.

An alternate plan will be in place in case of unfavorable conditions.
