

Imagine Technical Institute

What are you doing next summer?

Keep us in mind for your 2025 summer job.

AS AN SUMMER WORK PARTICIPANT, YOU WILL:

Learn job skills.

You'll choose which company you want to work for and learn new skills based upon that position and job description.

Earn money.

You'll work 20 hours a week for six weeks while making a competitive hourly wage.

Learn soft skills.

You'll learn soft skills like teamwork, communication, and financial planning—all skills that will support your employment journey.

Make friends.

You'll have a chance to meet other high schoolers with disabilities who are participating in the program.

Work with a dedicated job coach.

You'll be supported 100% by an onsite job coach who will be with you daily and teach you everything you need to be successful.

Gain insights for your future.

You'll learn what you like and what you don't like—all things that will help you make important decisions about your future!
