# BRANSON CONVENTION CENTER TRAINING PROGRAM

Are you ready to enter the competitive workforce? Enrollment is now open for our **Branson Convention Center Vocational Training Program for adults with disabilities**. This course is part of our Hospitality curriculum and is recognized by the MO Department of Higher Education. Total tuition funding is available.

## Overview

This six-week program teaches students the skills to successfully pursue competitive, integrated employment as Culinary or Operations team members. It meets Monday through Friday for four hours a day. Upon completing the program and fulfilling all other pre-hiring requirements, students can apply for full- or part-time positions paying \$15-\$16 per hour or more, plus benefits for full-time employees.

## About the Convention Center

The Branson Convention Center is a state-of-the-art facility located in the heart of Branson Landing. It offers more than 220,000 square feet of meeting and event space, making it an ideal spot for large events and conferences in one of Missouri's most entertaining cities.

## Details

### Training Locations

All training will be held on-site at the Branson Convention Center, 200 S. Sycamore St., Branson, MO 65616.

### What You Will Learn

Trainees will gain hands-on experience in event setup, food prep, cleaning, and a range of hospitality tasks.

### Program Requirements

Students must be at least 18 years old to participate. To be eligible for a job offer, they must complete the program, meet all hiring requirements, and be able to stand for long periods of time. Strong communication skills are a plus.
