Creating a network of willing, knowledgeable, and committed leaders to step up and make a difference in their community!

Now's the time to step up!

Confident, skilled and knowledgeable leaders guide organizations and communities through the challenges they face in today's changing environment. More leaders are needed to step up, get involved, and create more vibrant communities.

This leadership development training program is geared for you, the interested community volunteer, who wants to make a difference in your community.

You will learn more about...

- Your own leadership abilities
- Your county
- Current community issues
- How you can make a difference!

About the program

The program consists of nine, daylong sessions (8:30-4 p.m.) on the 3rd Wednesday of each month. Lunch is provided in the program. You will also complete a group capstone project. There may be project group time required outside of monthly sessions. An optional one-day trip to the Indiana Statehouse will be planned this year.

You are expected to attend 8 of the 9 sessions in order to receive a Certificate of Completion from Purdue Extension.

You will learn from your personal experiences and self-assessments, small group activities and discussions, current community leaders, online leadership webinars, and real-life applications.
