Get ready for the celebration!

This year will mark the Foundation's 20th anniversary since disaffiliating with Lawrence County in 2001 and our 25th anniversary since inception...and don't think we're letting it go by quietly! Now that COVID restrictions are abating, plans are underway to celebrate 25 years of the Foundation's support to the Orange County community and its many charitable programs and projects.

Keep your eyes and ears open for the ways we'll be observing these important birthdays, and reminders of how we have been here for Orange County, and will continue to be here....for good, forever.

LOCAL NON-PROFITS BENEFIT FROM 2021 GRANT CYCLE

Nine local non-profit organizations were awarded grants from the 2021 open grant cycle, with grants totaling \$44,800. These grants are made in addition to the nearly \$150,000 provided to local programs and projects from the Orange County Crisis Response Fund, the Tri-County COVID Response and Recovery Fund, and the IU Health COVID Response Grant. By the end of June, more grants will be made available through the Simmons Unrestricted Fund, the Tegarden Unrestricted Fund, and the Sol Strauss Supporting Organization.

Since 2001, the Foundation has provided \$8,019,337 in grants, \$819,465 in scholarships, and \$1,655,564 in program support to non-profits and charitable programs and projects serving the people of Orange County. This year's grant cycle continues that legacy of service and commitment to our community and those who call it home.
