2023 GRANTS

Nearly 93% of the \$363,123 made available for grant-funding this year will be paid out for charitable programs and projects to benefit Orange County.

Amounts available by type of fund were as follows:

- Donor-Advised \$12,038.35
- Field of Interest \$22,171.01
- Unrestricted \$118,726.71
- Scholarship \$55,888.48
- Designated \$154,298.77

Donor-advised funds are those funds for which donors have the opportunity to request the organizations and agencies receiving the payout.

Field of interest funds pay to organizations which engage in programs and projects related to a specific field of interest.

Unrestricted funds, the most flexible, make grant funding available for a wide range of charitable programs and projects serving Orange County.

Scholarships provide educational expense assistance to both graduating seniors and non-traditional students pursuing higher education.

Designated funds are established to provide annual funding to the designated charity or program. Grants from these funds go directly to the designated organization, and are not listed on the following page.

Most of the grant funding available for 2023 was provided in May, with more grant cycles from the Simmons Unrestricted Fund, the Tegarden Unrestricted Fund, the Sol Strauss Supporting Organization, and the Orange Co. Commissioners Supporting Organization coming up this summer.

DESTANY PINGLE PROMOTED!

Celebrate with staff member Destany Pingle as she is promoted from Program Associate to Program Manager.

A native of Paoli, Destany graduated from Paoli High School. She now resides in Orleans with her husband of 20 years, Jim, and their son, Lucas, a recent OHS graduate.

Destany attended Indiana University to study English and Journalism, and brings with her work experience as a reporter/photographer and church secretary, as well as extensive work with youth in 4-H and school activities.

Destany has been with the Foundation in her former position since 2017. In her new capacity, her program duties will expand beyond the grants, scholarships, and Youth Council programs she already facilitates. In addition, she will administer new programs and projects and continue as liaison with the Grants and Scholarships Committees and as chief mentor for the OCCF Youth Council.

"I love the small-town feel of our county and being able to help out my friends and neighbors. As Youth Council mentor, I love offering the members the chance to make our county a better place." Destany Pingle
