Company Overview

Arrona Tech, LLC delivers Artificial Intelligence (AI) powered digital transformation and intelligent automation solutions for the Department of War and Intelligence Community. We execute these capabilities through AskSage IL5/IL6, GenAI, Appian low-code platforms and AWS AI/ML services, enabling predictive decision-making, automated workflows, and rapid modernization of acquisition and enterprise systems in highly secure environments. Arrona Tech is a Veteran-owned, SBA-certified 8(a) Small Business.

We specialize in transforming legacy systems into practical AI-enabled, mission-ready platforms that increase speed, accuracy, and operational efficiency. Our expertise spans acquisition systems, case management, enterprise workflows, and document ingestion where we deliver scalable, compliant solutions aligned to real-world mission needs.
