ABOUT US

AGTORIA
BRANDS

Agtoria Brands was founded with a vision to offer world class services for all kind of Knitted Garments, woven Garments and Home Textiles to retailers and importers across the world. The vision of the company is to provide the lowest cost merchandise with the highest quality standards.

We are working as a Buying/Sourcing Agency and Merchant Exporter. We are exporting all types of Apparel (Men's, Women's and Kids wear) of knits, Woven and Home Textiles Goods to the USA & European Markets.

The company aims to focus on emerging & developing markets at the cost of value for money with excellent quality. The company believes in building strong value for all buyers & vendor partners to develop potential business relationships on a long term scale.

ABOUT US

ACTORIA
BRANDS

We specialize in responsibly managing & handling of high-volume & on-time delivery of goods. We provide sophisticated, one-stop solutions for our customers' requirements. Our customer relationships, vendor network, and operations are our key strengths for consumer product sourcing and execution.

We are committed and responsible for achieving the highest standards when meeting the needs of our buyers, customers through competitive pricing, quality, and on-time performance by leveraging our market knowledge & Experience. We have the capacity and flexibility to rapidly respond to evolving trends in consumers and markets.

OUR STRENGTH

The company has world class factory sourcing garments, Home & Hard Textiles products across all the locations in India.

The company is managed by professionals who have worked for the best retail companies in Apparel and Home Textile Market across the globe. The founders of the company worked in industry for 18 years in the textile industry and associated with factories all over India.

OUR STRENGTH

Our business is built upon customer satisfaction, our people, our values, our approach, engagement, sustainability & competitive pricing. Our leadership in change as per timing and situation is the platform for our success and growth.

VISION

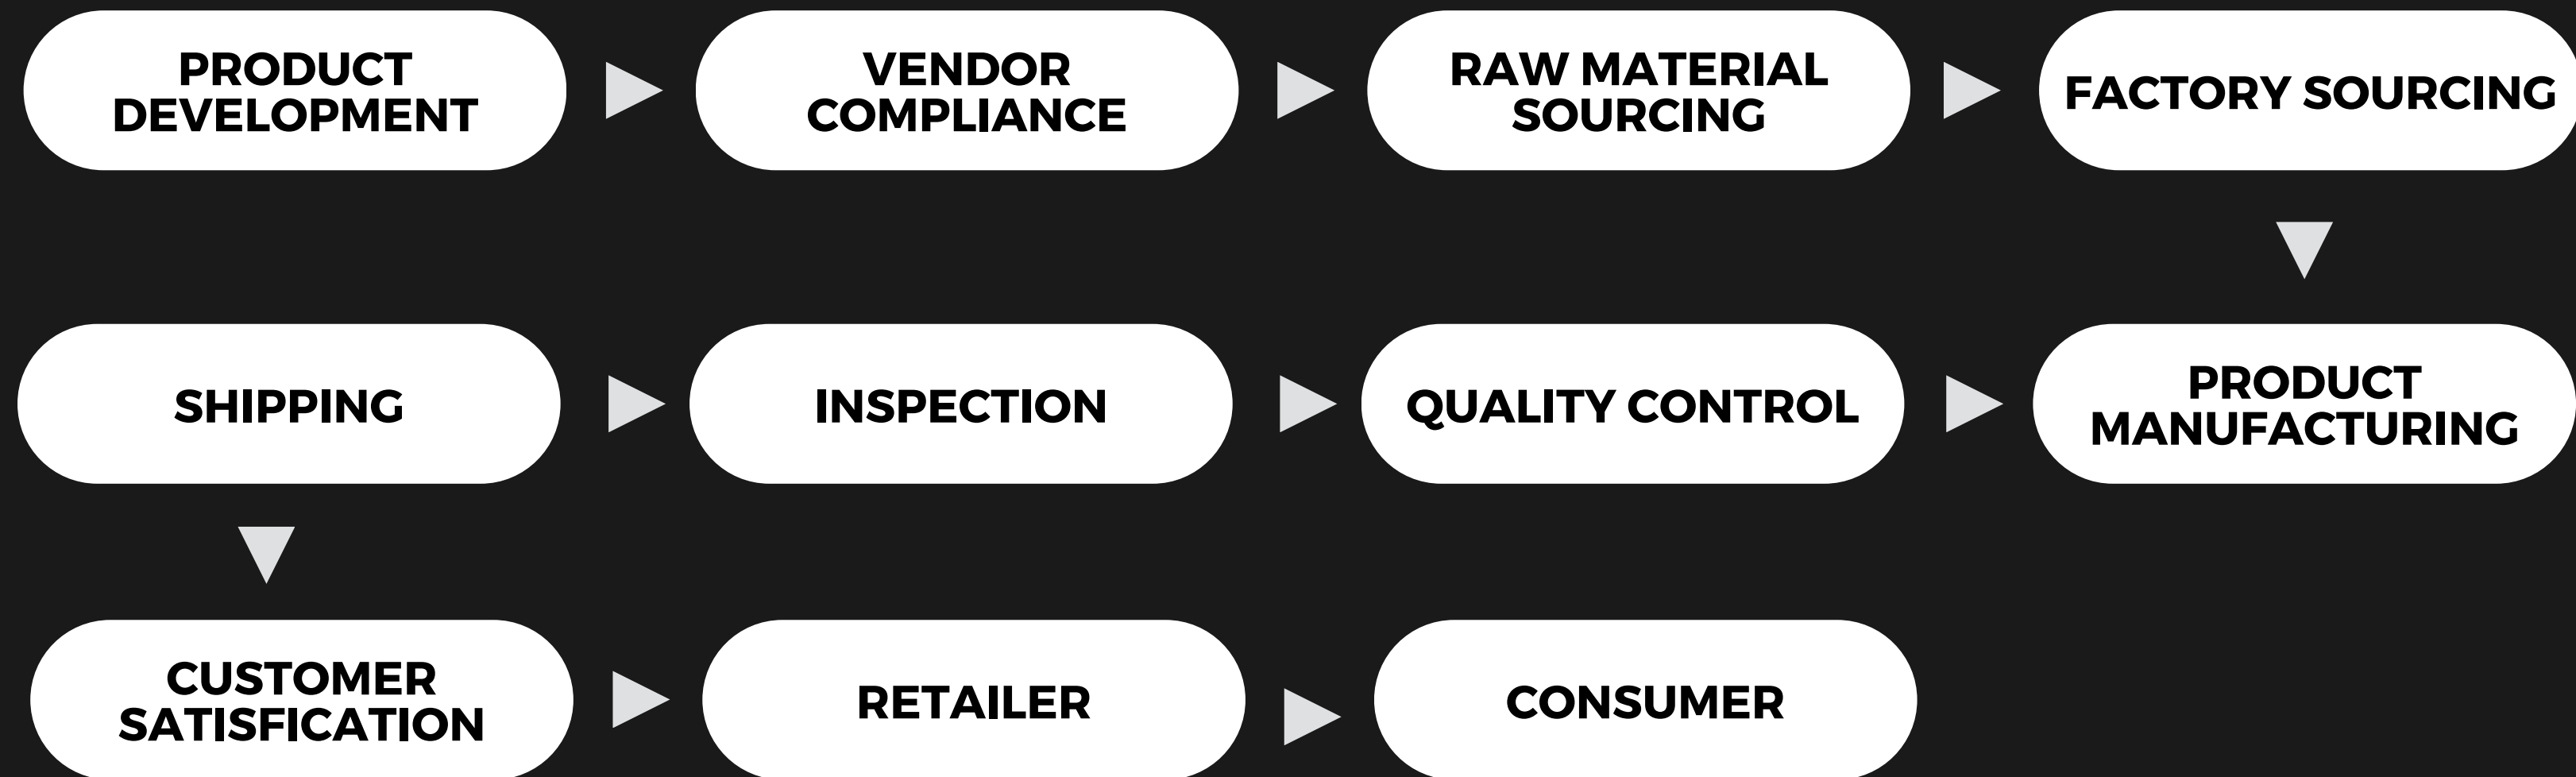

High quality with customer satisfaction for value for money.

SOURCING
