

Meet Our Team

SHAH HASSAN

CA SENIOR FORENSIC AUDITOR

Shah Chartered Accountant and Consultant with McKenzie Forensic Auditors, Inc., Shah personally has over 12 years of experience in the industry and loves the intricacies of complex litigation and the challenge of not only deciphering and understanding financial information, but more importantly being able to explain it in easily understandable terms.

TAEJA SIMMS

FIELD WORK AUDITOR CONSULTANT

After graduating from Florida Atlantic University in 2014 with her degree in Mathematics, she started her accounting journey with McKenzie Forensic Auditors, Inc. as a field work consultant, working for McKenzie she learned the basics of accounting and auditing. Taeja has been consulting several nonprofits. She has also performed an Inventory Audit to aid in the sale of a business.
