Structured Data

No JSON-LD detected. Based on MFS **100%** (brand links present). Recommendations:

- Add Organization and WebSite schema with logo, legalName, url, and stable "@id".
- Include sameAs links to LinkedIn, X/Twitter, Facebook, YouTube in Organization JSON-LD.
- If you have Q&A content, add FAQPage schema (10–20 concise Q&As).
- Add BreadcrumbList if you have hierarchical navigation.
