

LEADERS IN CHARGE OF CHANGE

Three Inspiring Competencies

01

STAND IN THE GAP

Being in the right place at the right time and with the right skills to address real-time issues.

Absent rank or title, you may be the person, on-scene with the most experience and training to direct people from committing an act of negligence.

02

NAVIGATE THE WAY TO SUCCESS

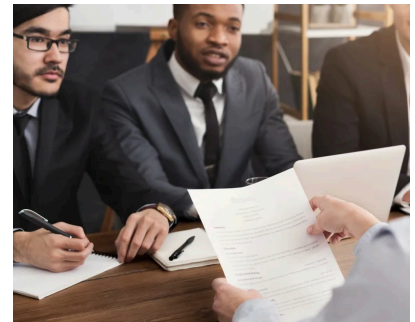

Stop putting up with discretionary performance.

Deep inside every person is the desire to be held up to their greatness by wise people they trust in a mandate to achieve unprecedented results.

03

ACCOUNTABILITY FOR YOUR IMPACT

When you have chosen an ethical course of action in leading people, you are just as accountable for the implementation, evaluation, and end results.

Watch how others will enlist to achieve the agency's mission above expectations.
