Revenue Stream #2 – Self-storage Units (716 E 12th)

Self-storage revenues are consistent and stable. There are a total of 51 storage units. The first building was constructed in 1982 and includes 4,224 square feet. The second building was constructed in 1993 with 1,440 square feet. All doors in building one were replaced approximately three years ago.

The average rental length is approximately **twelve years** which has resulted in a very low turnover rate of 10%. The time invested in renting new units is minimal since the property seldom has vacancies.

- Seven units 8' x 7.5' with a rental rate of \$35
- Thirty-four 10'x 12' with a rental rate of \$45.
- Ten units 8' x 15' with a rental rate of \$45

All units are currently rented. Current rentals rates are **below the market rate** so the new owner would have the option of increasing rental rates and income.

Synopsis of Emporia

Emporia is strategically located at the intersection of I-35, I-335, and U.S. Highway 50 in east-central Kansas, which is 50 miles from Topeka, 85 miles from Wichita, and 108 miles from downtown Kansas City, Missouri.

Regional manufacturing, educational, transportation, medical, and agricultural center provides economic diversity to the largest city in Lyon County and east-central Kansas. This important crossroads center has a trade area of approximately 85,200 persons.

Pulitzer Prize winner William Allen White, editor, and owner of the Emporia Gazette put Emporia on the national and world map with his editorial "What's the Matter with Kansas" on August 15, 1896. Today Emporia's native son Clint Bowyer, champion of the 2008 Nationwide Insurance NASCAR series, continues to bring notoriety to his hometown.

The Burlington Northern Santa Fe railroad mainline passes through Emporia. It is a major corridor with intermodal freight from Los Angeles and Long Beach, California. General aviation has access to a 5,000-foot runway at the Emporia Municipal Airport which accommodates most corporate aircraft.

According to the U.S. Census Bureau, the city has a total area of 10 square miles (25.8 km) of which 9.9 square miles (25.6 km) of it is land and 0.1 square mile (0.2 km) is water.

The city averages about 60 rainy days per year, 59 days with high temperatures of 90°F (32°C) or higher, and 124 days with low temperatures below freezing. The average temperature in January is 29°F (2°C), and in July it is 79°F (29°C). Annual snowfall averages 10.2 inches (25.9 cm).

The Neosho River flows along the northern side of the city. The Cottonwood River, one of its tributaries, flows along the city's southern edge and two large city parks, Peter Pan and Soden's Grove; the two rivers meet near the eastern boundary of Emporia and flow southeast to join the Arkansas River in Oklahoma.
