REMARKS FROM PAST PRESIDENT GOOLSBY

2020 was a very good year. Hahahahaha But that's what is usually said when talking about the previous year isn't it? Let's be honest. 2020 stunk. Unless you are still surrounded by your loved ones ...Unless You still have your health ...Unless You know from where your help comes. And because Jesus Christ is my Savior.....2020 was a very good year.

This is my personal testimony. Some here don't think what they refer to a "religion" should be brought into our meetings. Some disagree. All faiths are welcome in our club. Christianity is my faith. You are welcome if you are Jewish, Mormon, Muslim, or whatever faith you choose. This club is about being Republican Women. Some people of faith are comfortable with their faith kept to themselves. Some people want to shout from the rooftops. I'm comfortable allowing Jesus in every part of my life. Where Jesus is not welcome, I will not go.

All that was said because I received two messages during the past year asking me if Jewish people were welcome in our club. I know where the rumor started and why the rumor was started. It was started by a Jewish individual with which I have a political difference of opinion. I love and welcome women from all faiths. I have a personal preference, but it does not preclude me from including people who have a different opinion.

Now—My report as Outgoing President. I've never done anything like this before and I apologize for any and all mistakes. It has been my pleasure to serve you. I really have enjoyed it.

My duties were to oversee the monthly Board meetings and membership meetings. Along with my husband who put up and took down the tent every day for early elections we sat at the tent every day for many hours. That is my report for 2020. Short and concise.

REMARKS FROM THE PAST TREASURER RUSS

In early October 2018, over 200 cards were mailed to Republican registered women in the Palm Bay area inviting them to an organizational meeting on October 18, 2018, at the Majors Golf Club, Club House. 19 ladies attended and the club was started to educate and promote our Godly heritage, and Republican ideas and ideals. Those in attendance decided on a name and selected the first officers from volunteers.

We were given guidelines on how to start a Club from Beth Young who was then District Executive for the Florida Federation of Republican Women... helping new clubs. Many hours were spent on paperwork necessary to become a chartered Federated club. FRWA began with 17 paid primary members in November 2018 to form Federated Republican Women in Action, Inc. We were issued a Charter from the National Federation of Republican Women and the Florida Federation of Republican Women on November 6, 2018. FRWA filed incorporation papers with the State of Florida as a not-for-profit corporation. FRWA continues to maintain that status with filing an annual report.

A banking account was opened with B B & T. A post office box was rented, and we started holding monthly meetings at Copper Chimney.

At the first meeting in November 2018, 22 people attended. We ended 2019 with 24 primary members and 6 associate members. Total 30

We ended 2020 with 27 primary members and 13 associate members. Total 40. Dues include membership in the Florida Federation & National Federation.

The club started a website in 2019 with WIX which was free and upgraded to another website in 2020 with Go Daddy. A Facebook account was opened.

FRWA has purchased three, red 10 x10 pop up tents and two 6 feet folding tables. The Club purchased a banner with the club's name and a large poster and handout cards. Other printing has been of postcards which are mailed inviting Republican women to our meetings.

FRWA joined the Greater Palm Bay Chamber of Commerce in 2020 thanks to a generous donation covering half of the dues. We offered Trump caps for sale and have Constitution booklets and *Separation of Church & State What the Founders Meant* available.

All income goes to maintaining the Club.

Federated Republican Women in Action,
is chartered under the National Federated Republican Women's club. We are a group of women dedicated to the education and promotion of Republican ideas and ideals. As Republicans we believe in and support limited government, less taxes, free enterprise systems, sound fiscal management, personal responsibility, LIFE, the 2nd amendment, and the rights of all individuals as long as they respect the rights of others. We further the principles of the Republican Party and are dedicated to supporting our military, Veterans, Armed Forces and Republican officials.
Membership in a Federated Republican Women's Club makes our voices stronger on issues important to women; helps to develop effective leaders and volunteers for campaigns and issue advocacy; becoming a well-informed voter; hear powerful speakers and elected officials; enjoy the camaraderie of like-minded women who share similar political views.
