Federated Republican Women in Action,
is chartered under the National Federated Republican Women's club. We are a group of women dedicated to the education and promotion of Republican ideas and ideals. As Republicans we believe in and support limited government, less taxes, free enterprise systems, sound fiscal management, personal responsibility, LIFE, the 2nd amendment, and the rights of all individuals as long as they respect the rights of others. We further the principles of the Republican Party and are dedicated to supporting our military, Veterans, Armed Forces and Republican officials.

Membership in a Federated Republican Women's Club makes our voices stronger on issues important to women; helps to develop effective leaders and volunteers for campaigns and issue advocacy; becoming a well-informed voter; hear powerful speakers and elected officials; enjoy the camaraderie of like-minded women who share similar political views.

If you would like to visit us or become a member, please ⁵contact us via FRWABrevard@gmail.com Meetings are the first Friday of the month. An application for membership is attached.
