"Children are a heritage from the Lord"

Psalm 127:3

June 2026

When we step into the lives of children facing life-threatening illnesses, or those who have been abandoned and are living in orphanages, we aren't just visiting—we are bringing hope to those who need it most.

Our presence, our time, and our compassion serve as a reminder that they are seen, they are valued, and they are deeply loved.

Because we believe every child deserves a moment of wonder and joy, we are thrilled to announce that we are hosting a special **CAMP** for these precious children!

"In HIS light  
We SHiNE brighter"

## The Greatest Show Awaits ✨

Sometimes, the world tries to tell us that we need to fit into a mold to be valued. They tell us to look like everyone else, act like everyone else, and dim our lights to keep others comfortable.

But here at camp, we are learning a different truth: No one ever changed the world by trying to be like everyone else.

We believe that God is the ultimate Creator, the director of a life far bigger than we could ever imagine. He has prepared for us the Greatest Show—a journey designed specifically for our unique gifts, our hearts, and our spirits. When we step into His light, we don't have to worry about measuring up to the standards of the world. Instead, we are free to be exactly who He created us to be.

And that is when the magic happens. In His light, we don't just exist—we shine. We shine brighter, bolder, and more authentically than ever before.

This camp isn't just a place to hang out; it's a place to realize that you were created on purpose, for a purpose. You are chosen, you are loved, and you are called to shine.

Are you ready to embrace the show He has prepared for you? Because the world is waiting for your light. ☀️

We are hosting a children's camp July 29– August 4th for many of the orphans that we serve.

The total cost of the **camp** is approximately **\$9K**, which will allow us to bring about **60 people** including workers and children to a week-long camp where we will have opportunities to go deeper into the gospel with the children. If you would like to support this project please send a designated gift to Summer Camp. Thanks for all of your prayers and support.
