Gospel of John Mission

Sometimes life feels like a desert — quiet, uncertain, and heavy. No clear answers, no guarantees, no sense of what tomorrow will bring. In those moments, the story of manna from heaven speaks deeply: when people had nothing left, God provided for them — every single day. Not for years ahead, but just enough to make it through today. It's about trust. About taking a step when you can't see the whole path. God does not abandon us. He knows what we need. He provides — gently, faithfully, right on time. Sometimes it doesn't look the way we expected. But it comes.

"Give us this day our daily bread."
Matthew 6:11

Great News from Stas and Aia Boroznets: Family Day in Maximovca!

Dear friends,

We are so very happy to share with you about a wonderful event we had recently! In our town we hosted a beautiful Family Day Celebration. Our big goal for this day was to emphasize how important the traditional family is, and how we must raise our children in the knowledge of God. It is so necessary today for families to lay a strong Biblical foundation for their children and build their homes on His truth.

During the event, Stas had a special opportunity to speak to everyone. He shared from the heart about putting God first in absolutely everything we do, and always being thankful to God for all the amazing blessings He gives us by directing us on the ways. The main verse for the message was:

"Your word is a lamp to my feet and a light to my path." (Psalm 119:105)

We truly see this event as a great and open door to influence our community with Christian values and beliefs.

Thank you so much for supporting our family in this mission work. Your prayers and generosity make these days possible

Fun, Games, and Community Impact

After the spiritual encouragement, we had a time for big joy! We organized family games where parents and children could compete together in different game zones. It was a lot of fun, with so much laughter and smiles! At the end, the winners received nice prizes and many sweets, which made the children very happy.

Many blessings to you, Stas and Aia Boroznets

This month, the opening of a new floorball sports club took place together with a taekwondo club.

This is not just a place for sports training — it is a space for growth, friendship, and building values.

Participants have already taken their first steps in learning floorball, getting introduced to the basics of the game, teamwork, and an active lifestyle. A special feature of the club is that alongside sports activities, there are Bible study meetings where children and teenagers can reflect on important life principles such as respect, responsibility, and love for others. We believe that sport has the power to bring people together and help develop not only strong athletes but also strong character.

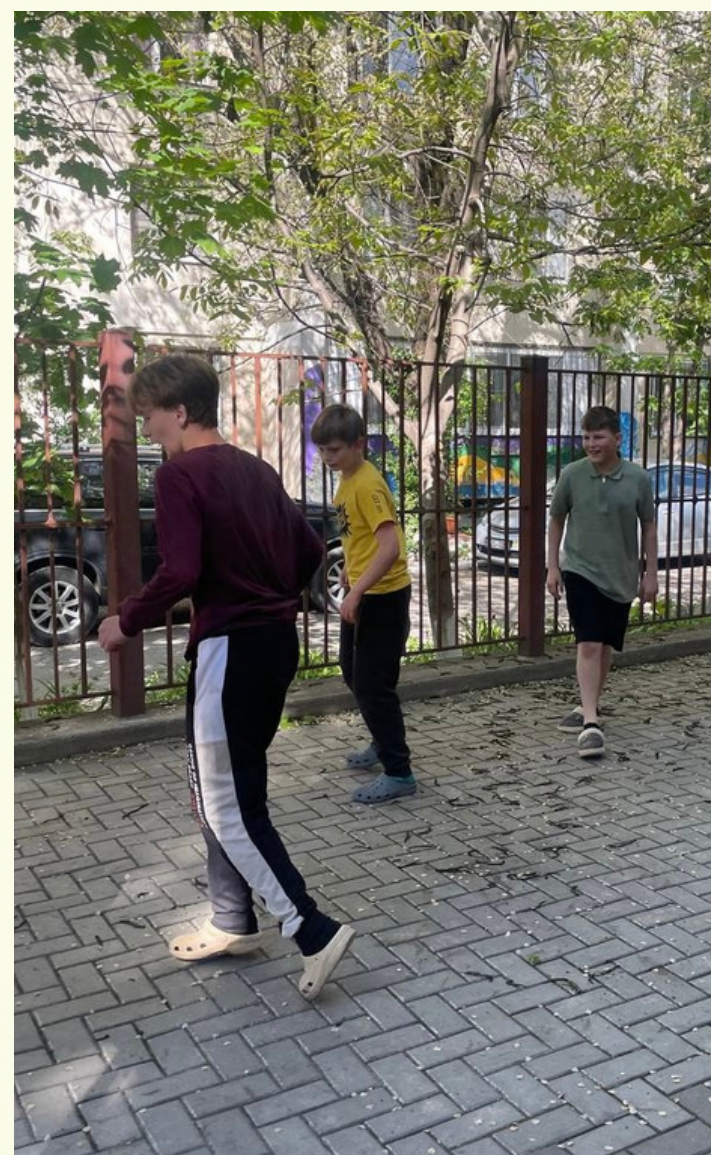

In partnership with the Ungheni City Hall, a vibrant family event was held, bringing together children and parents through sports, movement, and shared time together.

Participants took part in fun relay races, team challenges, and activities where the focus was not on speed or winning, but on support, cooperation, and the joy of being together. Parents and children faced challenges together, encouraged one another, and created the atmosphere of a true celebration.

The event became a great opportunity to strengthen family relationships, connect with other families, and show that an active lifestyle can be enjoyable and accessible to everyone.

Vadim Beleavskii, Ungheni

What a beautiful season. 🌿

The warmth has finally arrived to Moldova, and with it comes laughter in the streets, long walks, games outside, and hearts slowly opening again. When the children leave the walls of the orphanage and spend time in nature, something changes — they begin to talk more deeply, to trust more freely, to share their dreams, fears, and hopes. Some of the most meaningful conversations happen during a simple walk or while playing together under the sun.

This year, we are praying and believing for something very special — a camp where children from all of the orphanages we work with can come together. A place filled with joy, friendship, healing, and unforgettable memories. A place where every child can feel seen, loved, and valued.

Many of these children carry heavy stories at such a young age. That is why moments like these matter so much. Sometimes love looks like listening, playing, sitting beside a child, and reminding them that they are not forgotten.

We cannot wait to see what God will do this summer. ☀️

Gospel of John is planning to host a children's camp for many of the orphans that we serve this summer in **July**. The total cost of the **camp** is approximately **\$9K**, which will allow us to bring about **50 people** including workers and children to a week-long camp where we will have opportunities to go deeper into the gospel with the children. If you would like to support this project please send a designated gift to Summer Camp. Thanks for all of your prayers and support.

**"BY YOUR GENEROUS LOVE,
YOU CAN CHANGE A LIFE OF A CHILD"**
