♥ Orphan Ministry: Bringing Hope to Little Hearts and Dreams to Life

Today at the orphanage, our conversation turned to something so simple — their dreams. 💭♥ And I couldn't stop thinking about how powerful the dreams of these children are. 😞 What do we usually dream about?

🚗 A new car. 🏠 A bigger house. 💼 A better job ✈️ A dream vacation.

But what do children in an orphanage dream about? 🧸

🏠 A home. 👨👩👧👦 A family. 😊 A mother who comes back. ♥ Someone who chooses them. 💞 Someone who says, “You belong to me.”

For some of these children, the things we consider ordinary are their biggest dreams. 💔

Today, as we listened to them talk about what they hope for, I found myself praying: “Jesus, You know every dream in these little hearts. Please don't let them lose hope. 🙏 ✨ Surround them with people who will love them faithfully. ♥”

And most of all, pray that they would discover the love of a Heavenly Father who never leaves, never forgets, and never stops pursuing His children. 🕊️

Their dreams may seem simple to us.

But to them, they mean everything. 💔

And we serve a God who is big enough to hear every single one of them. 🙏

A Story of Hope and Transformation in Prison Ministry

Nikolai's story is a beautiful reminder that God can meet us in the most unexpected places. While in the prison hospital in Prunkul, Nikolai was introduced to the Emmaus Bible School. He gladly accepted the opportunity to study God's Word and learn more about Jesus Christ. Through the Bible, he discovered truths that brought hope, freedom, and a deeper understanding of Christ. Today, Nikolai gives thanks to God for revealing His truth to him and for the freedom he has found in Christ.

His testimony reminds us that no place is too difficult, and no life is beyond God's reach. God's Word continues to bring light, hope, and transformation wherever it is shared. Please join us in thanking God for Nikolai and praying that he will continue to grow in faith and walk closely with Christ.

He writes:

"Dear Brothers,

*Thank you for your work and for your great dedication
in teaching the Word of God.*

*I would like to share my testimony with you and thank
you for the help I have received in my life. It has helped
me develop a saving relationship and connection with
Jesus Christ, which truly lives within me.*

*I began to diligently study the Bible and the pages of
Holy Scripture.*

*I pray and thank God that He opened my heart to
receive His truth and the freedom found in Christ.*

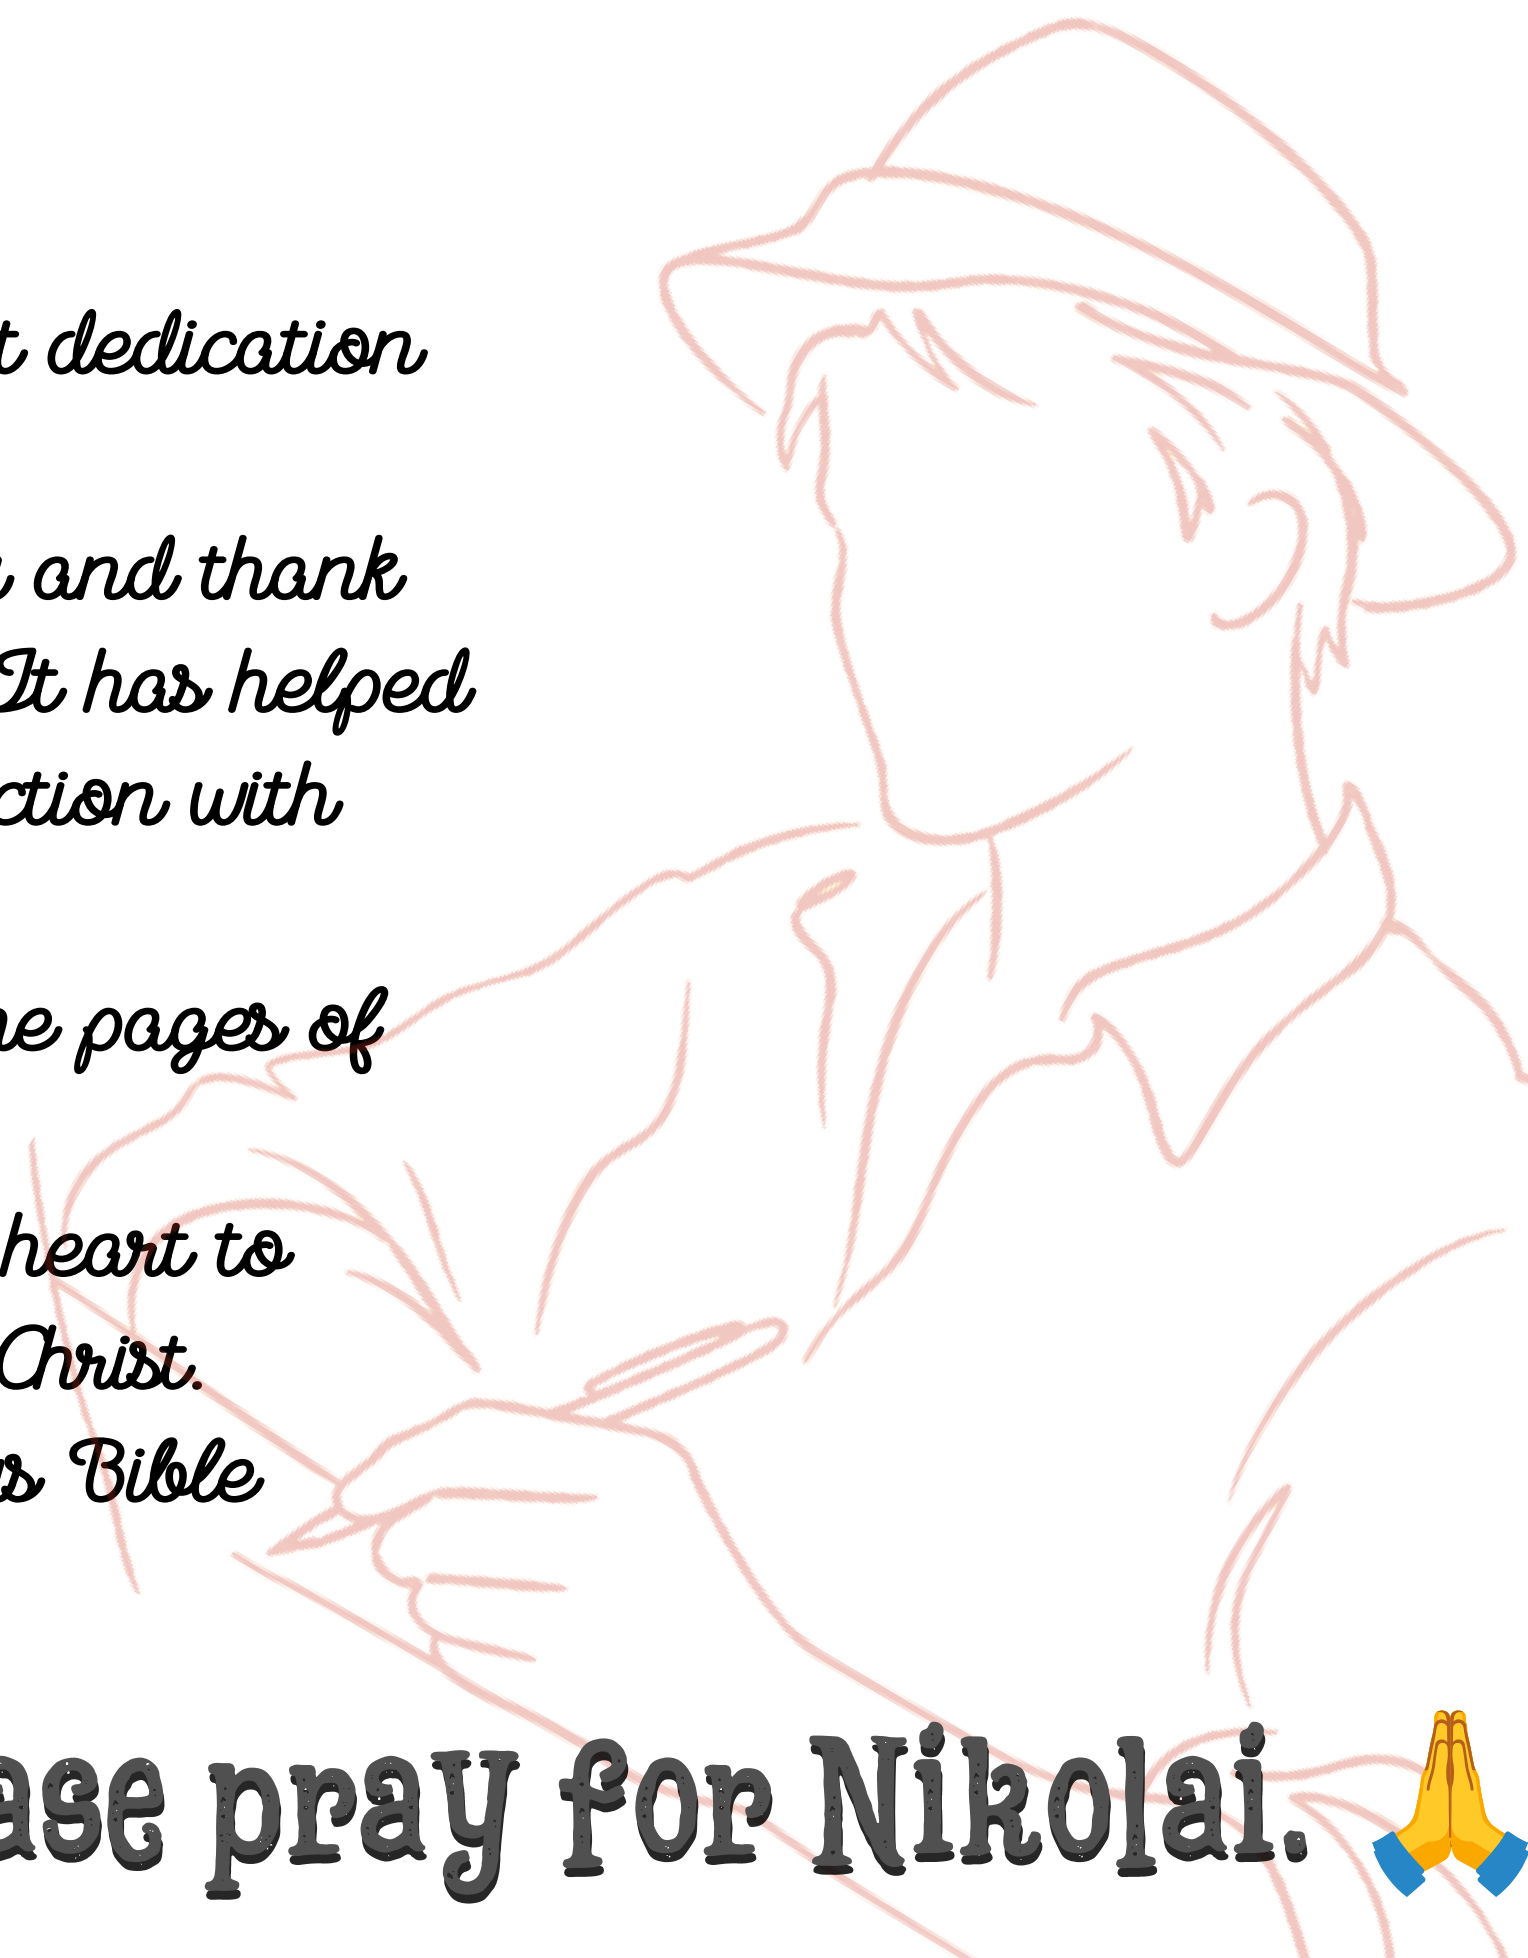

*Thank you to all the teachers of the Emmaus Bible
School.*

With respect and gratitude,

Nikolai

Please pray for Nikolai.

A Word That Transforms Lives: Teachers' Gathering 📖 ✨

Teacher's Day is a special occasion to express our deep gratitude to those who have dedicated their lives to serving children. To mark this day, a touching and meaningful gathering was held in the village of Maximovca for retired teachers.

For many of them, this event was a long-awaited opportunity to simply be together. Due to age and health, some rarely leave their homes anymore, while others continue to teach in school despite their advanced years. But on this day, they were able to reunite, embrace, reminisce about years past, and feel truly remembered and valued. It was a joy to care for their physical needs, share thoughtful gifts, and offer warm fellowship. Yet the greatest gift of all was the opportunity to remind these precious educators of God's deep love—that He knows each of them personally, cares about their burdens, and surrounds them with His daily grace.

A teacher's life is uniquely intertwined with books and reading. Yet among all the literature in the world, there is One Very Special Word: the Bible, the living and active Word of God. We were able to share that, while books inform our minds, only Holy Scripture has the power to transform the human heart and change a life from the inside out.

We believe this gathering was more than just a memorable event—it was a true blessing for every teacher, pointing their hearts to the Ultimate Teacher whose love endures forever.

👉 Deaf Ministry: Not Every Language Needs a Voice to Be Heard.

Language can be expressed through signs, through a look, a smile, or a simple movement. It doesn't always need a voice to speak about the things that matter most — love, hope, emotions, and the desire to be understood.

Because being heard isn't always about hearing words.

Sometimes, it's about paying attention. Understanding. Accepting. Simply being there.

September 23 is the International Day of Sign Languages.

We had the privilege of visiting a kindergarten for deaf children, where 70 beautiful children took part in a special program filled with joy, laughter, and warm moments.

And at the end, each child received a small gift. 📺

But as we left, we realized that we had received something even more precious — a reminder that sometimes, the most meaningful things can be said without a single word.

“Let all that you do be done in love.”

— 1 Corinthians 16:14

May our love be seen not only in what we say, but in what we do.

May we learn to notice, understand, and embrace those who communicate differently.

And may every person feel: I am seen. I am understood. I matter.

Let's learn to hear one another.

Even without words
