

## GOSPEL OF JOHN MISSION, INC.

January 2022

***"You are the salt of the earth.** But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot". Matt.5:13*

### *Dear Friends,*

This month I want to share an update from Stas and Aia on their ministry. Stas' writes: God has called us to be the salt of the earth, the salt that will give flavor to what has none. Salt that adds God's seasoning to people's lives and makes a difference in them. The goal of our mission is that everything we do points people to Jesus. We realize that true transformation of the world around us only happens through the One Who loved the world. Our prayer is to do all this for the honor and glory of God. Thank you for your prayers and support that help to make everything we do possible. Together we can plant more seeds and reap an abundant harvest for God's glory.

One way we are reaching our community is through a Blessing's ministry campaign that brings Jesus into people's homes. Despite the fact that last year brought many restrictions for gatherings, we have seen God's hand being with us as we visited people's homes with the food bags bringing them joy and hope through our word and prayers.

Our prayer is for these homes to become the houses of peace where parents and children

know and love God. For them to become God's light and salt for the community. When we visit these homes we share the story of Jesus, bring them groceries, and pray together thanking God for the most precious gift ever - Jesus Christ our Lord!

It is such a joy to see the sparks in the eyes of many after we pray with them, after we ask God's blessings to come upon their homes, praying for healing and spiritual awakening. The Blessings ministry is a way we and our disciples come together to become God's hands and feet to the people around us. Some elderly whom we had been visiting earlier passed away in 2021, and we praise our God that we could pray together with them and have a hope that they are with Jesus now.

**Another ministry we were engaged in this year is outreach in the Domestic Violence Center.** Through our ministry with the social workers of our region we were invited to visit a Government shelter for women that are at risk and don't have any place to live. By providing some humanitarian aid for that center God has blessed us to make a good connection with the leaders and women that are there. Now the doors are open for us to bring the light of the Gospel to them and we pray for God to touch the hearts of many in that shelter. During Christmas we visited them with a program and gifts for children and adults, and shared about Who is the reason for the Christmas season. Praying for God to draw the hearts of those ladies, social workers and children who heard the Gospel. We praise God that they opened their hearts and doors for us to come there again. Social workers have asked us if we can be a help in teaching those women and children the ethical principles that will eventually transform their lives.

God continues to open new doors for ministry for us in Moldova and we thank you for your prayer and support that makes this ministry possible. Thank you to all who responded over the last two months with pledges of support for our ministry in 2022. Due to your gifts we were able to provide much needed raises to our workers this year.

Sincerely yours,

Mark Ganaway

P.S.

I want to thank Leslie Brothers for her many years of service to the behind the scenes bookkeeping for our ministry. Leslie has been a huge blessing to me and our ministry and I wish her a wonderful retirement. With Leslie's retirement I have changed our PO Box. Please note the new address for letters and donations is **PO Box 86 Colleyville, Tx 76034**. Letters sent to the old San Antonio address are being forwarded to the new address. If you have a bill service sending your donation please contact them with the new address.
