# Pet/Smoke Free & Cleaning Policy

I understand that this rv rental is pet and smoke free. I understand that if I am found in violation I will be asked to leave the rv and will not be given any refund. I also understand that violating this policy will result in Kajun Travel being authorized to charge my credit/debit card on file a \$250 fee and I will also be subject to any extra cleaning cost associated with this violation.

## Cleaning

In order to keep from charging extra fees we have a cleaning policy set in place. Our policy is that you return the rv as you receive it. You will receive the rv clean and you are required to return it clean. This means you are to: Clean the bathroom including the sink, toilet, tub and floor. Clean the living and bedroom area including the counter tops, sink, furniture (if it gets dirty), microwave, stove top, fridge/freezer and floors are to be vacuumed/swept and swiffer mopped. Outdoor kitchen area and outdoor fridge are also to be cleaned if this applies to the rv you rented. If you return the rv uncleaned your card will be **automatically charged a cleaning fee in the amount of \$250** and there are no exceptions to this rule. If excessive cleaning is necessary for the inside or outside you will also be subject to any extra cost associated with this violation as to our discretion and your card will be automatically charged this amount.

**d) YOU WILL BE CHARGED A \$200 nonrefundable FEE if the tanks are not returned empty & flushed out. When we have to go to a campground to empty them it is charged just like a delivery/pickup fee.**

I understand that my card may be charged for damages or if the unit is not returned clean and in good order without notice or prior approval. ALL PAYMENTS ARE NONREFUNDABLE!

Awning acknowledgement: I acknowledge that I understand about the use of the electric awning. I acknowledge that I understand that I am being given a camper with a fully functional (If not notify Kajun Travel upon arrival to the camper) working awning with no damage to it. I acknowledge that when we pick up the camper and the awning is damaged whether it be by the operator, wind, rain or any other factor that I am 100% responsible for damages.

Over 50% of all damage claims pertain to RV awnings. Awnings can be easily damaged by higher winds, rain, suspending items (lights, towels etc) from the arms or rails. We do not prohibit the use of awning as it is a valuable part of the camping experience. However, use of the awning is the sole responsibility of the renter. The average cost to replace an awning is between \$800.00 & \$3000.00 (This is to be paid immediately following the damage to the mobile rv repair company of Kajun Travels choice). It is recommended that the awning be brought in (closed) when not at the camper, at night & during high winds/rain.
