- **Bottomless Tea** (unlimited flavor choices) | **\$18**

*Two-tea selection included
with all **Tea Service** menu selections.*

- Our tea is proudly sourced from *Harney & Sons*, an American family-owned tea company founded in 1983. We receive our tea loose, and carefully hand-bag each tea here in-house for freshness and quality.
- We use water from our reverse osmosis system, which removes impurities before being enriched with select minerals and gently aerated, creating the perfect balance of flavor and aroma in every cup.

caffeine-free
