## Distinctives

- ✚ Clear Path Cleanser can be packaged in a bottle for application on a pad or cotton ball; if placed in a foam pump, a glorious plume of stable, slippery foam emerges
- ✚ Glycolic acid has shown to provide progress toward reduction of acne and its associated scarring, working with the conditioning, antimicrobial cleaning agent to complement a prescription acne treatment regimen
- ✚ ZEMEA adds 3-way oil-free moisturization to the mix, making Clear Path Cleanser a perfect product for use every day
