Distinctives

Hair and scalp treatment spray specifically designed for textured hair

- ⊕ **ZMEA** provides 3-way moisturization to the scalp and serves as an elegant carrier for **GLYPURE 99** Glycolic Acid
- ⊕ Glycolic acid is known to provide scalp benefits:
 - Removal of product build-up
 - Improved circulation to the scalp
 - Nourishing of hair follicles for optimal hair health
 - Restoration of moisture balance for dry scalps
 - Reduction in oiliness
 - Promotion of healthier hair growth
