Respected Sir / Madam

Introduction

It's essential for students to understand their strengths, interests, and personality traits. Destiny Revamp, Led by Dr. Ramleela Khare, guides students to bring an Objective and Goal in early stages of their career.

Objective

To empower students with personalized insights into their personality, aptitude, and career inclinations through a structured, offline assessment conducted on-campus.

Component	Duration	Description
Seminar Session	1 hour	Personality, Manage emotions and habits, Self Analysis, Creative Thinking, Goal setting and tracking.
Discussion	1 hour	Engaging discussion to reflect and share personal insights.
Assessment Test	2 hours	Personality, Stream of Interest and Subject, Career line and Suggestion.
Total Duration:	4 hours	
Fee per student - Contact us to know the Fees		
<i>Note: Fee include assessment materials, report for individuals and a workbook - "Communicate with your Destiny".</i>		

About the Workbook:

"Communicate with your Destiny" is a guidebook on focused Living that shows the right direction to young minds. It is an interactive book which stimulates logic, helps reorganize priorities and propels towards setting goals and achievements. It holds a set of questionnaires which helps in keeping the reader's mind fixed on a target. It addresses issues at material, spiritual and emotional levels.

Looking forward to hearing from you
