

What is on DEREK'S DESK (DSD) Today?

Now that we have a completed Diagram, we can begin to apply the Creation Function (CF) to try to understand the concept of The Mark of the Beast.

Another Example of the Common Numerical Themes in the Bible

Last issue I talked about the possibility of UFO's existence. Today, I begin with the actual scriptures describing the mark. I then give more information about the Beast and the Antichrist. Finally, release more new findings that uses the same common numerical themes brought out over the course of the last 14 DsD issues to answer the question of What is the significance of the number 666?

The Mark of the Beast: What the Bible Says.

To begin to answer the many varied interpretations of what the "Mark of the Beast" is, we will begin with what the Bible says.

The Beast, Revelation 13.

11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. 12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, 14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

The Mark, Revelation 13.

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

The Consequences, Rev 13.

16 And ... If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, 10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone ...11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

The Diagram

We see that demarcation points established during the Flood also correspond to The Beast, the antichrist, and 666.

The Diagram has 3 complete God-ordained dimensions, all very large logarithmic spirals: The E-W, N-S, and SepGrid. Review DsD7, DsD8, DsD9 for more on The Diagram.

What is important here today is that there are special points on the Diagram established at Creation and the Flood that are meaningful in the physical and spiritual World. The following is an overview of these special points from the Day 1 center of the Diagram out:

Day 3: Aka ROOT 19 where the stone hits the Daniel image on the feet. This becomes a mountain (or a stone) that fills the whole Earth. DsD1, DsD3

Day 40-46: The Wilderness. Corresponds to Day 1-6 of the Original Creation now destroyed and dried by God.

Day 46/47: The "mountain that filled the Earth" is where the Ark landed after 40 Days. DsD7

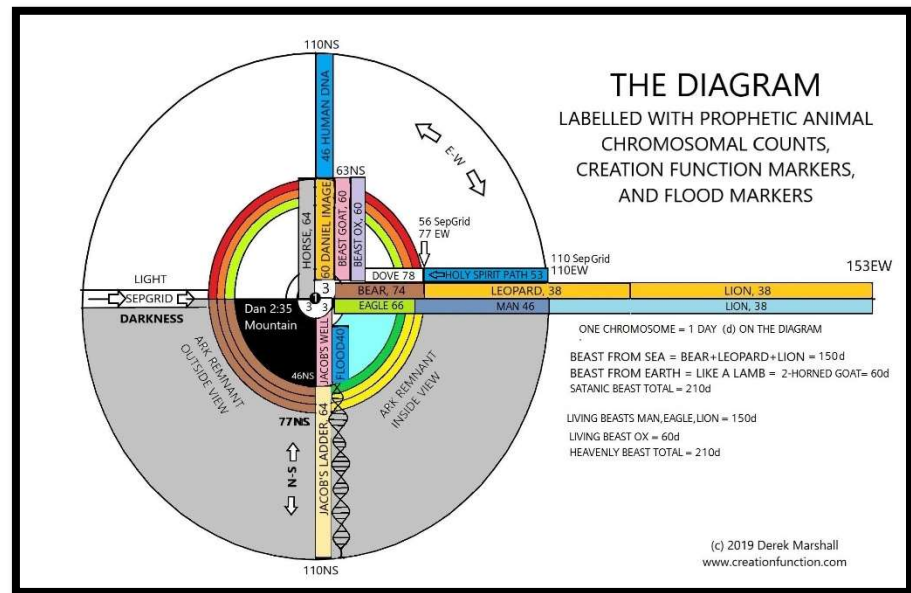

Day 56/57: The top of the SepGrid established by the Ark Remnant imprinting itself on the Earth. Last Drying Phase, 57 Days. DsD9

Day 63/64: The Ark door and waterline. DsD7

Day 70: Where the Dove brings back the Leaf after 7 Days: The prophetic perspective.

Day 77: The top of the Ark after it lands. The Ark Window. DsD8

Day 110: This comes from the first 150 Days of the Flood after the initial 40 N-S. These 110 days the Ark "went upon the waters". This established 47 Days SepGrid and 63 Days E-W. Border of Heaven.

THE WORLD OF THE MARK

The Rapture Sets the Stage

In DsD13 we saw that we "trade places" with satan and his forces during the Rapture. The Diagram shows how Christians on the Earth are "Born of Blood" with gives them the ability to reach to Kingdom of Heaven at Day 110 from Day 47.

Satanic Forces Kicked Out of Heaven

Since the Flood, satan and his forces expanded 150 Days and this formed The Beast of the Sea. It occupies the Diagram from EW Day 3 to Day 153. Michael the Archangel kicks these forces out of Heaven leaving them outside below Day 110.

Enter the Dragon

DsD14 describes the Dragon as "satan's ark". The two beasts, the false prophet, and the Dragon occupy different areas of the Diagram to accomplish appearing as a Holy Trinity to deceive the World. The key to this whole idea is that the Dragon occupies the SepGrid left open by the Ark remnant (now Raptured). This will allow those left behind to move from their own temples onto the Dragon.

The Rapture sets the stage for the World of the mark. People left behind are given the option to leave their temples and occupy the Earth in a new way.

A Time for Staying and a Time for Leaving.

Before the Flood, people were called into the Ark by God. After the Flood, people were called out of the Ark. Many times, in my DsD issues, I show how our bodies are temples, modelled by the Ark. When we are born, we are born "on the Ark". Christ calls us out of the Ark to follow Him, even unto death. This is salvation through Christ. People who do not accept Christ are still "on the Ark" as it sat on the NS grid before it was disembarked. But all is not lost.

Your Temple: Prime Real Estate?

Satan wants to occupy our Temples as they appear on the NS. This is still Permanent Time (DsD6) and would give satan what he needs: Time. For satan to occupy your temple, you must leave. And to leave, you must have somewhere to go, and it must appear the same as accepting Christ.

The 1260 Days: Rev 11:2,3,12:6.

As shown in DsD13, our temples are made up of 1240 NS time and the path from the NS to the SepGrid (Earth) is 20 Days (see the little Diagram on page 1). This gives a total of 1260 Days. This is also exactly 3.5 years. So, the first half of the Tribulation is those left behind occupying the Earth in an enhanced way as satan inhabits the NS left behind. This is "taking the mark"

Putting It All Together: The World of the Mark

To put it bluntly, the Earth becomes a commodity. All who accept the mark inherit a "citizens share" of the Earth. Everyone becomes wildly rich. There are two forms of mark currency: the number, or the name. What currency you use depends upon whether you receive the mark of the hand (wet, day 43 particles) or the mark of the head (dry, day 47 particles.) These currencies come from the Beast (Day 153 = Days 47, 43 at Day 63 the temple door). If you take the mark of the head, you occupy the surface of the Earth and build the Image. With the Mark of the hand you occupy the inner earth (like Tron or the Matrix).

The Number of the Beast is shown to be the “number of a man” as it fills the half-ark, a model of the human body—also a temple of God.

OutFront: What is 666?

666. Who Cares?

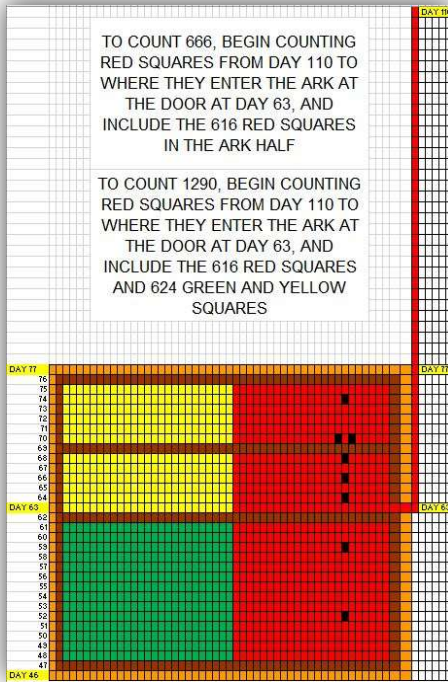

Rev. 13:18: We are challenged to understand this number and it is characterized as wisdom. Therefore, it should tell us things we need to know. It is curious to me that many have called “case closed” on this saying the number means “Nero” and the restoration of the Holy Roman Empire. That may very well be, but that doesn’t give me “actionable” information.

1 Kings 10: 666 in the Bible

Read the story of The Queen of Sheba when she came to the temple of Solomon. She comes “in a great train” from the south bearing precious materials. As I review this passage again, it is rife with Diagrammatic significance. Ultimately, it paints a picture of a long path to Solomon’s temple allowing him to take into the temple 666 talents of gold per year.

DsD3: The Daniel Image is 666

The statue in Daniel is 60 Cubits tall, 6 Cubits wide with ten toes in the front. You could view this as 60 times 10 or 600. Coupled with the 60 and 6 dimensions we have another 666.

Remember the Dinosaurs, DNA.

From DsD12, we said that dinosaurs resulted from the birds and small animals that left the ark too early. Their DNA was changed. And in DsD11 we showed that the Ark Frame also was a model for mitochondrial DNA. And the Diagram itself is a model for nuclear DNA. The point of this is that taking the mark is to change your DNA, such that you are no longer *Homo sapiens*. This is why one who takes the mark is lost and no longer can be saved. These satanic characters are referred to as beasts because they are not human.

The 666 is From the Creation Function and the Ark.

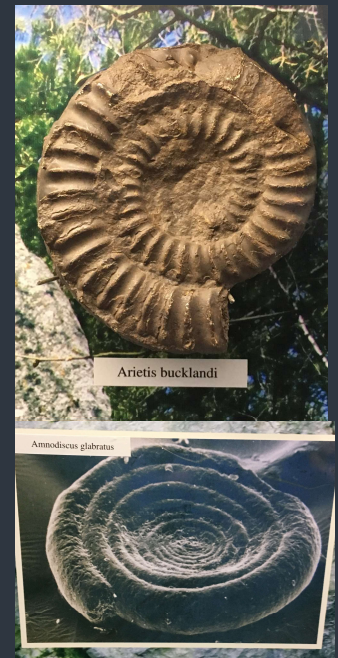

The half-Ark has a capacity of 616 cubital elements taking the furniture into account. Satan occupies this space from Day 110 after he is kicked out of Heaven. He enters through the NS Ark Door at Day 63. This forms a path of 50 Days to get inside through the Ark door. This “path” is a spiral and as such could be called a horn. Now this 616 temple has a “little horn” of 50 to make 666, read Daniel 7-12 to review the whole vision and compare to what I have in DsD13 and here. My 666 accounting is cross-checked exactly with the fact that once the entire temple is filled by the antichrist, including the horn we have 624+616+50 Days = 1290 days as reported in the Daniel 12:11.

“Perks” of the Mark?

The mark will allow people to time travel (DsD12), travel the cosmos at lightspeed, and change their appearance. This is possible because 43 and 47 particles (matter itself) is the new currency and can and will manipulated at will using the mark.

The Antichrist (GODTUBE)

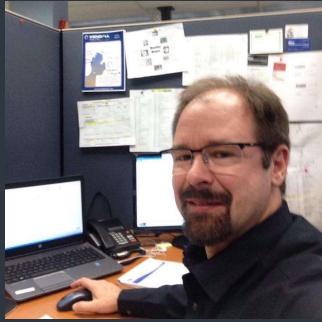

Produced by Revolution Against Evolution (RAE). For their 666th show, Hosts Doug Sharp and Rich Geer discuss the Antichrist, the Beast, and the Number of the Beast 666 from a scriptural point of view. Doug makes the point that satan believes that he is the original ancestor via the evolutionary path, the Geological Time Scale (DsD12).

This Issue’s Q&A in New Creation Research

Q: “Actionable” Information? What Do I Really Need to Know About the End Times?

A: I will tell you some details of my work that I will relate in my book. There I also will give scripture and examples in Nature to back up this story. We see that the magnetic field of the Earth is changing. This field is a type/shadow of the Holy Spirit, and its presence makes it difficult for satan’s full forces to be near the Earth. As a result of the Rapture, the magnetic field of the Earth will fall away. This will allow satan’s forces to come (ET?) to “fix” our magnetic field and explain the Rapture “how God killed everybody”. To gain protection from the Sun, save lives, install world peace, and restore our “missing” members, people will be invited to join with the “Original Ancestor”. This joining is taking the mark. One must choose to join, you cannot be forced or, have a chip put in your head against your will. It will be an easy choice. For a head mark, it will be a prayer one will make. For a hand mark, it will be a deliberate physical act, like sex (read about the whore in Revelation) for entry into the New City. Many will be deceived because it will seem very much like the right thing to do. At first, it will be the “Have You Decided Yet?” promotions on a very powerful internet. But as people get healed, they will begin to scorn the “sick” who resist this love offer from the Ancestors. To take the mark, or not, is to die, but those who resist taking the mark will die and be with God afterwards.
