A message to our fans

Fan enthusiasm and support are a great part of baseball and active cheering is encouraged. The American Legion Baseball program is dedicated to providing a safe and positive environment for both players and fans.

You are requested to be considerate at all times of the feelings of the players and sensitivities of those fans seated around you.

We will, however, enforce this request in the following manner:

1. The use of aerosol can airhorns will not be permitted, during an American Legion Baseball Tournament. Persons using the compressed gas airhorns will be ejected from the ballpark.
2. Persons entering the playing field or throwing or attempting to throw objects on the field also will be subject to immediate ejections and criminal prosecution.
3. Persons using obscene or abusive language or engaging in any other antisocial conduct offensive to those around them will be asked to cease this conduct. If the offensive conduct persists, those involved will be subject to ejection from the premises.

Your cooperation is appreciated and we hope you enjoy the game.

American Legion Baseball Fans:

When the cry, "Play Ball" sounds at this year's State Tournaments, it will mark the season finale of the 99th year of American Legion Baseball. Now is the time to reflect on this past season and to say "Thank You" to the many American Legion Posts, volunteers, coaches, and umpires who have helped make this season another big success.

Throughout the competition leading up to this year's State Tournaments, American Legion Baseball has provided over 4,000 young Nebraskans on over 270 teams with an opportunity to participate. Nebraska boasts the **second largest** program in the country, second only to Minnesota.

In 52 American Legion Departments across this great nation and foreign countries, more than 70,000 players participate. This Americanism program contributes significantly in promoting sportsmanship and citizenship, building character, and providing worthwhile recreation for our young people. One only has to look through the rosters of Major League teams to see the names of players such as Alex Gordon, Brian Duensing and Pat Venditte to whom this program has provided valuable training. It is truly a youth program of great merit, and we of the American Legion are proud to sponsor such an activity for our young people.

Speaking for more than 35,000 American Legion and Sons of the American Legion members in the great state of Nebraska, it is my sincere pleasure to extend greetings to all spectators and participants and to offer best wishes for a successful tournament.

For God and Country,

Boyd Yochum
Department Commander
