Design Packages

general design

starting at ~~\$600~~

\$300

Small Projects

- Emails
- Newsletters
- Social media post templates
- Posters
- Brochures
- photograph manipulation or retouching
- Custom design

Deliverables

- File format needed determined per project
- All color values if needed in HEX, RGB, CMYK
- All font files if applicable

If you are looking for design work outside of the cookie cutter templates everyone else is using in Canva, this may be the package for you.

If you have an idea that needs to be brought to life, email me at lumenneessence@gmail.com to schedule a free consult to discuss your vision.
