Financial Literacy

April is recognized as National Financial Literacy Month. Financial or economic abuse is one strategy perpetrators use to control their victims. CASA is in its 3rd year of our Economic Empowerment Program to combat financial abuse. Our economic advocates are certified credit counselors and can assist with rebuilding credit as well as provide classes from budgeting to loans. If you are a DV survivor and need help rebuilding your finances give us a call 352-344-8111.

Cinderella's Closet

CASA was excited to be part of Cinderella’s Closet this year! It’s was a fun day, helping girls choose that perfect dress for a fun and safe prom night.

Donations are always needed: new or gently used prom or bridesmaid dresses (less than three years old and in excellent condition), dress shoes, formal purses and rhinestone and fashion jewelry (“bling”).

For information to participate in next years event, call 352-201-7851 or email: citruscinderellas@gmail.com.
Volunteers Recognized

We are so proud of all our volunteers! These three wonderful CASA volunteers attended the Nature Coast Volunteer Center Luncheon today. Esther was recognized for ten years of service and Cheryl was recognized for over 4,000 hours of volunteer service! Also pictured here is CASA volunteer Nell.

Victim Rights Ceremony

Thank you to our CASA Advocates-Sarah, Kimberly, Morgan, Jess, Andrea, April, Shayna, and Christina. They enjoyed a great Victim Rights Ceremony on April 11 at the courthouse and shared information about CASA with our community. Special shout out to Christina for sharing her story of resilience and hope!

Camp Rise
Summer will be here before you know it! And again this year, CASA is participating with Camp Rise. There are two dates and locations during the month of June. Space is limited so sign up now at www.antidrugcitrus.com

New Member of Our Group

Meet our therapy dog, Dillon. This sweet gentle giant and our therapist Laurie bring hope and healing to survivors at CASA. This beautiful boy brings joy to everyone at CASA. Therapy dogs can be trained to provide affection, comfort and love. They can also improve mental health issues such as anxiety and depression, or simply improve one's mood. We love having Dillon here to lift everyone's spirits.

Sunshine Arnold

We are so proud to have this resilient woman as our leader here at CASA. She is a featured writer in the upcoming anthology And Still She Rises.

Gratitude is the true key to happiness. I have realized that the greatest joys are found in the smallest of things. One big bad thing can ruin your life if you let it, but if you find a million small things to celebrate, you can be happy and keep going.
