Community Partner Spotlight

WIC is a federally funded nutrition program for women, infants, and children. WIC provides the following at no cost: healthy foods, nutrition education and counseling, breastfeeding support, and referrals for health care and community services.

This program provides:

- WIC participants receive food packages to supplement their diets, which can include items like milk, cereal, cheese, eggs, fruits, vegetables, and more.
- WIC provides information and support on healthy eating habits, including breastfeeding promotion and support.
- WIC offers education, peer counseling, and resources to help breastfeeding mothers.
- WIC helps connect participants with healthcare, social services, and other community resources.
