Tobacco Free Facility

Tobacco products are defined as the following, which include but are not limited to, cigarettes, cigars, pipes, cigarillos, tobacco chew, plug, or snuff, snus, hookah, bidis and kreteks. E-cigarettes such as vaping products and JUULS are included because they are a tobacco-like product and may contain nicotine.

CASA is committed to providing a safe and healthy workplace by promoting the health and well-being of its employees and their families. The health hazards related to smoking impacts both the smoker and the non-smoker who is exposed to secondhand and even thirdhand smoke. Therefore, CASA prohibits the use of all tobacco products, defined above, anywhere on company grounds.

Confidentiality Agreement

I understand that, in the performance of my duties as a CASA volunteer, I may have access to confidential information while I am volunteering. I hereby agree to abide by all confidentiality rules and procedures. I further understand that all participant files, notes, books, information etc. will remain in the CASA office. I understand that anything I may hear or see is confidential and cannot be revealed to anyone. I also understand that by releasing participant files or privileged information, I am not only liable criminally, but also civilly by CASA and the participants. I also agree not to reveal names of any participants that I may have come in contact with during my time as a volunteer.
