103: New Old Stock Leather Fire Helmet

USD 600 - 800

A very nice new old stock Paul Conway leather firefighter helmet. This American Heritage series helmet was manufactured in 2004 and has never been worn. It is complete with the original sales literature. A very nice leather fire helmet.

Firefighting Antiques and Memorabilia

104: Cairns Fire Helmet Worcester MA

USD 60 - 80

A salty plastic Cairns fire helmet from the Worcester MA fire department. The helmet is in as-found condition and does retain the liner and chin strap. Front is from Engine 9.

105: MSA Fiberglass Helmet from Derry NH

USD 60 - 80

Vintage fiberglass fire helmet from the Derry NH fire department. This helmet is complete with the original leather front shield, and the Plectron eyeshield.

106: Leather Cairns Fire Helmet Boston MA

USD 300 - 350

A salty leather fire helmet from the Boston MA fire department. The helmet has a Boston custom device holder. The initials CJC are painted on the underside of the rear brim. This one was repainted and definitely saw some work. Cairns and Brothers disc inside made in Clifton NJ with no date code letter.

107: Viking Fire Sprinkler Head Advertising Ashtray

USD 80 - 100

Very nice advertising ashtray from Viking Fire Sprinklers dealer C.W. Hutchinson of Huntington WV. It has an original 1920 Viking A sprinkler head. This is a heavy brass ashtray with enamel paint which is still in near excellent condition.

108: Rainbow Fire Company Reading PA Match Safe

USD 80 - 100

Early match safe with a celluloid of the Rainbow Fire Company of Reading Pa. This is a metal match safe and is in very good condition. It measures 2" by 2 3/4".

109: Early Leather Fire Hat Front Pungustuk

USD 250 - 300

This early leather front from a jockey-style fire hat is from the Pungustuk Fire Company of Yarmouth Maine. It measures 12" wide by 4" tall. There are individually cut and applied letters and a large number 1 in the center all of which are in overall good condition. This front dates from the late 1800s the the early 1900s.

110: Lot of 4 Wide Awake Weekly Firefighting Pulp Comic Books

USD 60 - 80

Lot of 4 early pulp comics with firefighting themes. These are all in good condition for their age and are complete with all pages. Included are issues number 123 and 124 along with 130 and 131. All four of these 5-cent pulp comics are from 1908.

Firefighting Antiques and Memorabilia

111: Ives Clockwork Fire Engine House

USD 300 - 500

Cast iron and wood Ives clockwork fire engine house. This large fire station measures 12" tall, 8 1/2" wide, and is 16" long. It has been repainted by a previous owner. A nice looking fire station to go with any cast iron horse-drawn steamer or related piece.

112: Early Brass Fire Department Speaking Trumpet

USD 250 - 450

Large sized brass fire department speaking trumpet. Stands 20" tall with a 7 1/2" diameter bell. The trumpet is tarnished and has spots of rust on it. An early light brass trumpet.

113: Early Leather Fire Bucket

USD 300 - 400

Very nice early leather fire bucket #2 painted with the original owner's name T. Aylword and dated 1837. The bucket retains the original leather handle with some early repairs. It stands 11" tall. A very nice-looking early leather fire bucket.

114: Framed Drawing of Hook & Ladder 8

USD 150 - 250

Early drawing of a hook and ladder wagon along with the firefighters in front of their fire station. This measures 25 1/2" by 20 1/2" including the frame. The firefighters are wearing dress uniforms with their high-front helmets lined up on top of the ladder wagon. The name appears to be Geo. Burt from Boston, however, the drawing has it marked as Hook and Ladder 8 and George Burt was Hook and Ladder 6. Overall good condition with some staining and scratching to the surface.

115: Long Island City High Eagle Fire Helmet

USD 600 - 800

Early leather fire helmet from Long Island City Exempt Firemen's Association. This is an early exempt association from New York City. The leather helmet was made by Dentzeau in New York. It has 16 combs and is a parade-weight helmet. The original owners' initials are on the bottom of the front shield J. McL. The helmet was repainted at some point with some minor repairs. It is missing the "i" in City on the front shield. A fine early leather New York City volunteer helmet.

116: Brush Hill Milton MA Leather Fire Bucket

USD 250 - 400

Early leather fire bucket from Brush Hill located in Milton, MA. This leather bucket retains some of the original paint and has areas of significant paint loss. The bucket stands 12" tall with tight seams and bottom. It has a period-correct replacement leather handle.

117: Nickel Plated Dietz King Fire Department Lantern

USD 125 - 150

Nickel plated Dietz Fire King fire department lantern with red globe. Dated 1907 on the water shield, the lantern is complete with the burner and both the carry handle and the apparatus hanger. Overall good condition.

Firefighting Antiques and Memorabilia

118: Leather Wrapped Fire Hose Nozzle w/ Shut Off

USD 125 - 150

Early leather-wrapped fire hose nozzle with handles. The nozzle is complete with a shut-off and various tips.

119: Composition Fire Bucket Ladder or Hose Wagon

USD 100 - 150

A heavily painted composition fire bucket was most likely used on a ladder or hose wagon. The bucket stands 13" tall and is complete with the original handle.

120: Miniature Leather Fire Helmet Harrisburg PA

USD 100 - 150

Miniature leather fire helmet made to replicate the Reilly Hose Company 10 in Harrisburg PA which is now the PA National Fire Museum. The helmet is all leather construction with a brass eagle attached. It stands 5" tall and is 8" long.

121: Tin and Glass Candy Container Fire Station

USD 30 - 50

Very nice early tin and glass candy container fire station. The graphics on the tin station are in very good condition. The glass candy container is in good condition with a few flea bites. It was made by West Brothers in Grapeville PA. It measures 2 1/2" tall, 2" wide, and is 2 1/2" long.

122: 1926 Brass Fire Hydrant Letter Opener Fire Association Philadelphia

USD 30 - 50

Heavy brass fire hydrant form letter opener dated 1926 from the Fire Association of Philadelphia, Trezevant & Cochran general agents. It measures 9" in length and is in very good condition.

123: American LaFrance Fire Engine Co Brass Gauge

USD 100 - 125

Early heavy brass gauge from the American LaFrance Fire Engine Company of Elmira NY. This gauge was made by American Steam Gauge and Valve Manufacturing in Boston and is patented in 1903. The gauge is 5 1/4" in diameter and is complete with the glass cover.

124: Reverse Painted Sign Hartford Fire Insurance

USD 100 - 125

Framed reverse painted glass sign from the Hartford Fire Insurance Company. The sign measures 15" by 21 1/2". The sign has the Hartford stag in the center with mountains in the background. There are losses to the paint, mostly the dark blue around the edges. It is complete in the original wood frame.

Firefighting Antiques and Memorabilia

125: Large Brass Fire Alarm Bell

USD 150 - 200

Large brass fire alarm bell manufactured by Charles Cory and Son in New York. The bell is complete with all of the springs and striking mechanism and is extremely loud.

126: Early Cardboard Tube Fire Extinguisher NOS

USD 40 - 60

New old stock cardboard tube fire extinguisher complete with advertising, mounting bracket, and original box. It was made by Fire Killer Co in Hazelton PA. It stands 10" tall.

127: C T Ham Fire Department Lantern

USD 250 - 350

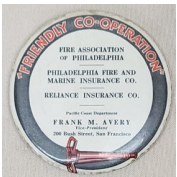

Brass fire department lantern made by C.T. Ham with the last patent date of 1894. The lantern is complete with the original burner, and handles. It has a teal green Dietz Loc Nob globe. The cage appears to be a replacement.

128: Original Dietz Crystal Lantern

USD 200 - 300

All original condition Dietz Crystal kerosene lantern. The lantern has the original glass fount which is free of cracks or damage. It is missing the original cap, but there is an old cork replacement that's been with the lantern for a long time. Overall a very nice original lantern.

129: Early Advertising Pocket Mirror Fire Association of Philadelphia

USD 40 - 60

Very nice celluloid pocket mirror advertising Fire Association of Philadelphia agent Frank M. Avery of San Francisco. The mirror is 3 1/2" in diameter. The mirror shows some minor damage.

130: Lot of Fire Department Wrenches

USD 50 - 75

Lot of various fire department spanner wrenches along with an early cast fire bucket bracket.

131: Painting of English Firefighter Rescuing Child

USD 75 - 100

Unsigned oil painting on canvas of an English firefighter rescuing a child down a ladder with smoke and fire billowing around them. The detail in the painting is quite nice. It measures 13 1/2" by 17" including the frame.

132: The Central Fire Station Fyr Fyter Polished Brass Fire Extinguisher

USD 125 - 150

Very nice polished brass fire extinguisher made by the Fyr Fyter Company in Dayton OH. This 1-gallon pump type fire extinguisher is complete with the original rubber hose and nozzle. It stands 24" tall. A very hard to find brand of pump type extinguisher in the smaller 1-gallon size.

Firefighting Antiques and Memorabilia

133: Junior Buffalo Fire Extinguisher

USD 40 - 60

Brass fire extinguisher made by Buffalo Fire Appliance Company in Buffalo NY. The extinguisher is a pony or junior size. It is only 20" tall. Complete with the rubber hose. There are several dents on this early extinguisher.

134: Douso Chemical Fire Extinguisher Tube

USD 40 - 60

Large cardboard tube type fire extinguisher made by the Detroit Soda Products Company. This large tube stands 20 1/2" tall. It is in good overall condition with some fading to the graphics.

135: Early Gamewell Fire Alarm Telegraph Pull Station

USD 150 - 200

Heavy cast iron pull station made by Gamewell. This early pull station is complete with the pull handle, door lock, and mechanism. It measures 7" tall, 6" wide, and is 4 1/2" thick. It is in very good condition with no cracks and has a great crackled patina to the paint. An all original barn fresh find!

136: Early Painted Wood Fire Alarm Sign

USD 100 - 150

Very fine painted wood fire alarm sign reading: "To Sound Fire Alarm Series of No Less than Ten One-Second Blasts on General Alarm". This is no doubt from an early factory and was found in New England. It measures 12" by 12" and is in good condition. The paint has great crackling and patina.

137: Gamewell Fire Alarm Advertising Book 1929

USD 100 - 150

Embossed cover advertising and sale book from Gamewell Fire Alarm Company. There are fire alarm boxes, pedestals, call bells, registers, whistleblower, and many other products included in the catalog. It is in very good condition complete with all pages and with some water damage on the back cover and last few pages.

138: Gamewell Auxiliary Fire Alarm Pull Station

USD 60 - 80

Cast iron Gamewell Fire Alarm auxiliary pull station with original mounting bracket. This is complete and appears to be in proper working order. It is 5 1/2" tall, 4" wide, and 3 3/4" thick.

139: New York Fire Patrol Leather Fire Helmet

USD 400 - 600

All original leather fire helmet from the New York City Fire Patrol. This Sergeant helmet is and was made by Lougidice in New York and is complete with a Cairns and Brothers leather front. A very nice original fire patrol helmet.

Firefighting Antiques and Memorabilia

140: Lot of 2 New York City Fire Department Ribbons

USD 60 - 80

Two ribbons from New York to include: 1897 Volunteer Firemen's Association of the City of New York at Port Jervis and Middletown. Second ribbon is Uniformed Company of Exempt Firemen of the City of New York at Newark in 1909. Both ribbons show wear and are a bit tattered, but a couple great early New York City volunteer ribbons.

141: American LaFrance Fire Engine Bell

USD 600 - 800

Very nice 12" American LaFrance fire engine bell complete with the original eagle. The bell is mounted on a steel plate for display. There are no dents or dings in this bell, and the ring tone on it is excellent. A very fine early bell that is complete and all original.

142: Lot of 6 Fire Department Badges

USD 100 - 125

Lot of 6 various fire department badges to include: early hat badge that appears to read PFD; early Spanish fire brigade cap badge, Fall River MA cap badge; Camden Fire Department 26 which is missing the pin and catch, MFD Maltese Cross badge with pin and catch; and an early Waltham MA breast badge made by J. G. Johnston in Boston.

143: Early Engraved Fire Department Shield Shaped Badge Winchendon MA

USD 100 - 125

Very nice engraved shield shaped fire department badge from Winchendon MA. This silver tone badge measures 2" tall by 1 1/2" wide and is complete with the original pin and catch.

144: Lot of New England Fire Department Ribbons

USD 100 - 125

Lot of 16 New England area fire department ribbons from the late 1800s thru the 1930s. Towns include: Lowell MA; Lawrence MA; Marblehead MA; East Braintree; Athol MA; Haverhill MA; Eliot ME; Kittery Point ME; plus more. A great lot of ribbons that are in good condition.

145: Lot of Fire Department Ribbons and Badges

USD 100 - 125

Lot of 17 various fire department ribbons from towns to include: Charlestown; Pawtucket RI; Manchester NH; Fostoria OH; Boston; Brockton MA; Columbia PA; Portsmouth NH; Gloucester MA. A very nice selection of ribbons and badges all in good to very good condition.

176: Lot of Firefighting Tools & Nozzle

USD 20 - 30

Lot includes a brass nozzle stamped MU, an Akron Brass hose wrench, and a pair of tool mounts.

177: Early Fire Department Bed Key and Wrench

USD 50 - 75

Early cast bed key and wrench from the mid to late 1800s. It measures 7 1/4" in length. These were used to disassemble beds by the early fire department. This one is a very nice original example.

178: Brass Dietz King Fire Department Lantern

USD 175 - 200

Very nice brass Dietz King lantern with original patina. This lantern is complete with the carry handle, apparatus hook, burner, and cap. It has a red globe to compliment its firefighting history. The patent date of Aug 27 '07 is stamped in the water shield. A very nice example of a brass fire department lantern.

179: (2) Missouri Valley Association of Fire Chiefs Brass Maltese Cross

USD 30 - 50

Lot of 2 brass plaques from the Missouri Valley Association of Fire Chiefs. These are made from heavy cast brass and have a ladder, hook, and fire hydrant. Each measures 5 1/2" by 5 1/2" and are in good condition.

180: Cairns and Brothers Leather Fire Helmet

USD 500 - 600

An early Cairns and Brothers leather fire helmet without the impact cap. This helmet is in very good condition and has seen little use. It is complete with a front from the Aroma Fire Protection District in Illinois. The helmet has the headliner as well as a set of Bourke eyeshields installed. Overall very good condition.

181: Metal Franklin Township NJ Fire Department Helmet

USD 125 - 175

Cairns and Brothers Senator style fire helmet with original front from the Franklin Township NJ Fire District located in Somerset County. The helmet is in very good condition and dates to pre-1949 when Cairns was still making helmets in New York City.

Firefighting Antiques and Memorabilia

182: Cairns and Brothers Leather Fire Helmet

USD 150 - 200

Early Cairns and Brothers leather fire helmet from the high eagle era. Unfortunately the high eagle was removed. The helmet has a replaced shield on the front. The original Cairns metal disk is retained inside the helmet. A nice early helmet.

183: Early Leather Fire Bucket

USD 100 - 150

Early leather fire bucket that is in as found condition. The bucket has its original handle, though partially detached. The bucket has remnants of an old original painting, but it is very difficult to make out. It stands 11 1/2" tall.

184: Early Leather Fire Bucket

USD 175 - 200

Early leather fire bucket that is in as-found condition. The bucket has its original handle, though partially detached. The bucket has remnants of an old original painting, but it is very difficult to make out. It stands 14" tall.

185: Painted Leather Fire Bucket Jos. Barney 1838

USD 250 - 300

Early painted leather fire bucket from Jos. Barney and is dated 1838. The paint was touched up and multiple layers of old paint are visible. The bucket lacks its original handle. It is 14" tall and in overall good condition.

186: Dietz Fire King Lantern

USD 150 - 200

Very nice brass and painted metal Dietz Fire King lantern. The lantern is complete with the carry handle, apparatus hook, fuel cap, and burner. The lantern is complete with a red globe. The lantern is in solid overall condition with no cracks or breaks, though there are several dents in the front. A very nice fire department lantern.

187: Lot of Various Fire Department Items Including Gamewell Tape

USD 30 - 40

A large lot of various fire department items including a roll of 1" Gamewell ticker tape, an Auburn rubber fire engine, Pierce advertising fire trucks, postcards of the St. Louis Firefighters Statue, fire extinguisher decals, and vehicle magnets.

188: Fire Alarm Internal Box with Octagonal Mechanism

USD 75 - 100

Cast iron inner box for a Fire Alarm box. This one is odd in that the mechanism inside is housed in an octagon. The original tapper is located inside and the mechanism appears to be 7266. The mechanism currently isn't working. An odd fire alarm box!

189: Lot of Ahrens Fox Fire Engine Ephemera

USD 75 - 100

Lot of ephemera from the Ahrens Fox Fire Engine Company including a vividly detailed large envelope with a piston pumper, original lubrication guides, an advertising brochure for apparatus, and original letterhead. A nice selection of items from Ahrens Fox Fire Engines which were built in Cincinnati Ohio. All items are in good condition.

Firefighting Antiques and Memorabilia

190: The Firemen's Standard Magazine 1908 & 1913

USD 60 - 80

Two early firefighter magazines The Firemen's Standard. The first is from May 16, 1908, and the second is from December 13, 1913. Both are in good condition and are packed full of ads and articles on firefighting of the era. Great illustrations and photos of a time of firefighting history.

191: 1923 Port Chester NY Fire Department Program

USD 80 - 100

This is a large format fire department program measuring 9 1/4" by 12 1/4". The front cover is a vivid and colorful rendition of scenes around Port Chester New York. This was from the banquet commemorating the 100th anniversary of the Port Chester Volunteer Fire Department. The banquet was held at the West Chester Biltmore Hotel. It is in very good condition.

192: Lot of 2 Fire Department Parade Torches

USD 80 - 100

Lot of 2 candle torches in brass frames adorned with eagles on the top. Each has a turned wood handle. These are large torches with the torch itself measuring 12" tall and the overall length including the handles is 52". Both are in very good condition. These were purchased in New England by the former owner, however, it is unknown which department they are from.

193: Fire Department Restaurant Ware West End Fire Co Stowe PA

USD 30 - 50

Lot of 3 pieces of Iroquois restaurantware for the Ladies Auxiliary of the West End Fire Company Stowe, PA. Included is a 10" dinner plate, 7" desert plate, and a 5" side bowl. All three pieces are in excellent condition.

194: FDNY Rescue 2 Leather Fire Helmet

USD 400 - 600

Salty leather fire helmet with leather front from FDNY Rescue 2. The front has badge number 4895. The helmet was made by Cairns and Brothers when they were still in New York. There are several early leather repairs on this helmet which add to the character of this early helmet.
