

Policy Name: **Monetary Support of Playdown teams**

Date Created: **Dec 1, 2021**

Date Revised: **Dec 16, 2022**

Overview:

The purpose of this policy is to outline what financial support the Chilliwack Curling Club will provide to a team who are representing the Chilliwack Curling Club at a Provincial or Canadian Championship. Financial support will only apply to CurlBC-sanctioned events.

Policy:

- 1) If a Zone/Regional playdown occurs prior to a provincial championship, the Chilliwack Curling Club will reimburse a team's zone/regional entry fee in full, providing all four curlers are listed as representing the Chilliwack Curling Club and all four are shareholders of the Chilliwack Curling Club Share Certificate if the team qualifies to curl in the provincial Championships.
- 2) If all team members are not from the Chilliwack Curling club the portion paid will be prorated by the zone/ regional entry fee divided by the number of qualifying Chilliwack Curling Club members.
- 3) If other clubs are listed as being represented by some of the curlers on the team the portion paid will be prorated by the zone/regional entry fee divided by the number of clubs listed as being represented.
- 4) If a team enters a Provincial Championship directly without the need for a qualifying zone/regional playdown there will be no monetary award by the Chilliwack Curling team unless the team in question qualifies for a Canadian Championship.
- 5) If a team wins a Provincial Championship thus qualifying for a Canadian Championship, the Chilliwack Curling Club will pay the qualifying team \$1,000 towards their expenses if all four members are shareholders and the Chilliwack Curling Club is the only one listed as being represented. A proration of \$1,000 will apply according to point number 2 and 3 above.
- 6) If more than one team from the Chilliwack Curling Club wished to attend the BC Club Challenge, financial support will only be given if there is a playoff among the teams wishing to attend the Club Challenge. The purpose of the playoff (in each of the women's and men's categories) is to financially support the top team in each category. More than one team may participate in the BC Club challenge but only one team will receive financial support.
