

Are You Ready to Join in Revival Worship That Transforms Lives?

We are living in desperate times that require desperate measures as spiritual warfare rages all around us. If there was ever a time for Christians to be revived and a spiritual awakening to sweep through our communities, nation, and world it is now!

On Friday, June 4, beginning at 7 pm., **YOU'RE INVITED** to gather with fellow believers for an evening of revival worship that will include the singing of psalms, hymns, and spiritual songs accompanied by the musical instruments of David's Praise, teaching from God's Word, prayer, prophetic ministry and more! Come ready to be filled with the revival fire of the Holy Spirit!

Hosted by Gene and Annette Scheel

39264 Old Wheatland Road, Waterford, Virginia

Please **RSVP** by Wednesday, June 2, by Texting 703.470.1077 or leave a message at 703-727-2945

Our worship gathering will be led by The Rev. Dean F. Schultz, an Anglican priest and founder of WE (Worship Equippers for Christ), a missions network dedicated to helping equip the Body of Christ for worship renewal. A free-will offering will be received for the WE Missions Network (worshipequippers.org)
