

## GLOBAL DISCUSSION SERIES

### Characteristics of Relational Child and Youth Care

The *Characteristics of Relational Child and Youth Care* express some of the most critical aspects of caring for young people. Grab a tea or coffee and join us for a virtual discussion series covering these essential topics. Each 60-minute session will include a brief presentation and facilitated discussion by CYC-Net associate editor James Freeman and other special guests. We've timed the sessions across a variety of time zones to include voices from across multiple cultures and countries.

Attend all sessions and receive a 10-hour certificate in the Child and Youth Care competency domain of Developmental Practice Methods.
