Assembly Instructions

Leather Lounge Chair

<p>Parts list:</p> <ul style="list-style-type: none"> (1) Left upright (A -B) (1) Right upright (C -D) (1) Cross brace (B-C) (1) Backrest support (1) Seat assembly 	
<p>Hardware list:</p> <ul style="list-style-type: none"> (6) bolts (4) nuts (4) washers (1) 5/32" Hex Allen wrench 	
<p>Note that the individual pieces are labeled with colored stickers.</p>	
<p>Throughout the assembly process, you will match together the green A's, orange B's, pink C's, and yellow D's</p>	
<p>Place piece A – B on its side with the three dowel holes at area B pointing up</p>	
<p>Insert (1) bolt from bottom at hole A.</p> <p>Insert (1) bolt from the bottom at the hole F.</p>	

<p>Insert the dowels of cross brace B into the holes of upright B.</p> <p>Press the cross brace firmly into place.</p>	
<p>Place seat assembly onto bolts A and F.</p> <p>Match the A on the upright with the A on the seat assembly.</p>	
<p>Place a washer and nut onto each bolt.</p> <p>Screw the nut onto the bolt, but do not tighten the nuts. The nuts will be tightened at a latter step.</p>	
<p>Place section C – D on top of seat assembly.</p> <p>Ensure alignment of dowel pins and holes at C.</p>	

<p>Insert bolts into holes D and E. Install washers and nuts at D and E.</p> <p>Place a bolt at point C and screw the bolt directly into the cross brace. Leave bolt C slightly loose at this time.</p>	
<p>Set chair upright on a flat tabletop.</p> <p>Place a bolt at point B and screw the bolt directly into the cross brace.</p> <p>Tighten bolt B.</p>	
<p>Tighten bolts A, B, C, D, E, and F with the Allen wrench and 7/16" wrench (or adjustable wrench).</p> <p>Wrench supplied by customer.</p>	
<p>Insert backrest support rod into the two-position mount.</p> <p>Raise backrest.</p> <p>Remove location stickers.</p>	
<p>Assembly is complete.</p>
