# Precision Maternal and Family Health Platform

Partner with LG and LifeNome on Women's Health

LG Electronics and Lifenome have partnered on nine.moons the world's most comprehensive pregnancy health and wellbeing platform, personalized based on a mom's unique biology, physiology, health history, and lifestyle.

## Partnership Opportunities with LifeNome-LG

We are looking for partners in health care systems, health insurance, employee well-being, maternal health, and pharma for joint go to market, co-branding, revenue-share and channel partnerships.
