

Evolve Hoops Child Safety Commitment

At Evolve Hoops, the safety, wellbeing and dignity of every athlete is our highest priority.

We are committed to providing a basketball environment where children, young people and adults are treated with respect, feel safe to participate, and are empowered to speak up if something does not feel right.

We have zero tolerance for child abuse, sexual abuse, grooming, bullying, harassment, discrimination, exploitation, neglect or any other behaviour that places a participant at risk of harm.

Evolve Hoops takes active steps to prevent harm. This includes appropriate recruitment and screening of coaches and staff, Working with Children Checks where required, safeguarding education, clear standards of behaviour, risk management, appropriate supervision and accessible reporting processes.

We expect every coach, staff member, volunteer, athlete, parent and visitor to contribute to a safe and respectful environment.

Children and young people have the right to be listened to and taken seriously. If an athlete or family member raises a concern, Evolve Hoops will respond appropriately, respectfully and in accordance with our policies and legal obligations.

If you have a concern about the safety or wellbeing of an Evolve Hoops participant, we encourage you to report it.

You can speak with an Evolve Hoops staff member or use the reporting process outlined on this page.

If a child is in immediate danger, contact emergency services on 000.

Evolve Hoops is committed to continually reviewing and improving our safeguarding practices.

Safety. Respect. Accountability.
