## SOUTHWEST DISTRICT KIWANIS FOUNDATION

Candie, my other thought is the patch being all white with the boarder and the print being the color  
I think they should be about 1.5" x 3" or what ever is standard around that size  
RED = \$100 - \$499, White \$500 - \$999 and Blue \$1000 and over  
We could include a letter, sort of like the one from the Children's foundation  
I haven't figured out how to put boarders on things in Canva...
