SONGBIRD

THE ULTIMATE HI-FIDELITY
BLUETOOTH SPEAKER ALARM CLOCK

INTRODUCTION TO SONGBIRD

SONGBIRD is an active Bluetooth speaker with an analogue alarm clock. It delivers a beautifully refined tone with impeccable good looks and is very easy to use.

The simple intuitive controls make SONGBIRD a perfect accessory for any home or hotel and need no explanation for any moderately tech aware user.

Enjoy the aesthetics of a perfectly designed analogue alarm clock with state-of-the-art hi-fi audio playback. The v4 Bluetooth is simple to connect and delivers CD quality sound reproduction that will bring your music and videos to life on your tablet or phone with exceptional ease.

Made in 2 formats, the *Uptown* model is best suited to smaller bedside spaces and the *Downtown* for more open areas.

The SONGBIRD series has been beautifully engineered by an international team of award winning audiophile engineers from Quad. These exceptional products are a joy to use, have first class performance, and will surely appeal to everyone with style.

Enjoy the groove !
