

# Sound Rise Hotel

## SPECIFICATION

The Sound Rise Hotel is a custom-designed guestroom alarm clock radio based on the award-winning Sound Rise. Guests can enjoy their favorite songs streaming wirelessly through Bluetooth and charge portable devices using the two fast-charging (2.1 Amp) USB ports conveniently located on the top of the unit. The Sound Rise Hotel is packed with hotel- and guest-friendly features, such as automatic Daylight Savings Time adjustment, in an upright design that won't take up valuable space on the nightstand.
