DESIRE - THE ULTIMATE ANALOGUE ALARM

80MM OR 3.1/8" DIAMETER

Your guests need the very best, and these beautifully detailed alarm clocks have been approved by some of the world's finest hoteliers. The hand polished chrome steel cases with bevelled mineral glass lenses have a fine quality and weight. The HX80 series have a 100% silent sweep action movement and a night light that comes on when the clock is picked up or slightly tilted. Also available with luminous hands. Powered by a single AA Battery.

YOUR BESPOKE OPTIONS

ALARM CLOCKS

If you have a special requirement of over 300 pieces we can usually accommodate your request. The parts that can be customized are the body, dial face and hands. The body can be made of either stainless steel or aluminium and we can apply different plating finishes such as gold to give a wide variety of colours. Share your ideas with us and we can give you a quote and create a visual for your project.

Lead Times: Production is to order and we need a minimum of 60 days to complete any order.

Minimum quantity is only 192 pieces and 48 for a re-order.

Our terms are ex-works from Hong Kong.

We can also provide retail packaging so you can sell the clocks to your customers as souvenirs of their stay.

For sales and custom enquiries please contact Oliver Hemming at oliver@oliverhemming.com
