

## LATE NIGHT BITES

*imagine perfection*

Wedding receptions are a party after all, especially if you've booked a good band or DJ. Despite the fun, late-night dancing can leave guests hungry. Surprise your family and friends with delicious butlered treats toward the end of your reception that will have them back on their feet and ready to hit the dance floor.

***A Milan Exclusive!*** Our chefs create a "pop-up restaurant" to cook these delicious late night bites. Service is no later than 45 minutes before the end of the evening. Our staff will butler these treats to you and your guests on the dance floor!
